

BRITISH DESTROYER SPEEDS TO WAR ZONE

SENATE RACE REPEAL VOTE FAILS AGAIN

Four Attempts for Action in 24 Hours Blocked—New Pardon Board Measure Introduced in Upper Chamber—Is Drawn To Meet Allred's Approval.

Austin, April 7. (AP)—A fourth attempt within 24 hours to set the House horse race repeal bill for early floor consideration failed in the Senate today.

The vote to set the proposal for tomorrow was 12-12, whereas a two-thirds majority would have been required. Senator Joe Hill of Henderson started to move for a setting at a later hour tomorrow but decided against it after Senator Clay Cotten of Palestine said he was "tired of all these motions which do nothing but kill time." Cotten had been voting for the repeal bill.

SEARCH OPENS FOR AIRLINER

PLANES GUIDE CREWS TO
SCENE OF WRECKAGE ON
ARIZONA MOUNTAIN

McNary, Ariz., April 7. (AP)—A posse of some 25 picked men plunged at daybreak today into the eastern Arizona "badlands" in search of a wrecked airliner and its eight occupants, deemed certainly dead.

Their goal was the rugged western of 10,500-foot Baldy Peak where the tangled ruin of the once-proud skyship was located from the air yesterday.

Seven miles of pathless wilds lies between the searchers and the wreckage, almost hidden in a grove of quaking aspen on the mountain-side. Snow lies from four to six feet deep on level stretches and fills box canyons to a depth of up to 20 feet.

Major A. D. Smith, who discovered the wreckage, and other airmen were ready to take off from Albuquerque, N. M., to aid the ground parties by circling over the scene. It is impossible to land an airplane near the peak.

Those who saw the wreckage from the air yesterday were unanimous in their certainty none of its occupants would have survived what appeared to have been an almost head-on plunge against the mountain slope.

"They couldn't live in that," declared Major Smith, as he gazed at the tangled and blackened wreckage.

HUGE FIRE IN MANILA
LEAVES MANY HOMELESS

Manila, April 7. (AP)—A million dollar fire swept over more than one and a half square miles of the thickly populated Tondo district today, leaving more than 10,000 persons homeless, one dead and eleven injured.

The entire Manila Fire Department, supplemented by fire equipment and soldiers from Fort Santiago, fought the blaze for more than four hours before bringing it under control.

One death was attributed to the fire. A paralytic residing at the edge of the fire zone died from fright. Many narrow escapes were reported as panic-stricken residents risked their lives to save their possessions. Starting in a laundry, the flames fanned by a stiff wind, raced toward Manila Bay.

Relief agencies made plans to take care of the homeless.

DALLAS MAN ROBBED AFTER
CASHING PENSION CHECK

Dallas, April 7. (AP)—A. E. Oettinger, 65, cashed his pension check, celebrated by taking a street car ride, and was robbed of the \$17.

He told police he rode to the end of the line "just for a holiday." Three men in an auto drew up to the curb. Two men held him while the third emptied his pockets, he reported.

Austin Officer Dies—James B. Blair, 76, long-time Bell County peace officer and father of Judge Mallory B. Blair, Associate Justice of the Third Civil Appeals Court, died here today after a brief illness.

May Be Envoy

Mrs. J. Borden Harriman (above), Democratic National Committee woman for the District of Columbia and widow of the New York banker, admitted Secretary of State Hall had asked her if she would accept a foreign post. Her designation would make her the second woman diplomat in U. S. history.

COLLISION OF NAVY PLANES LEAVES 4 MEN DEAD

San Diego, Calif., April 7. (AP)—Naval Air Station sources here reported Tuesday four Navy flyers were killed in a head-on collision of two bombers from the aircraft carrier Lexington 40 miles off San Diego.

Word received at the air station said both planes sank after the collision.

The victims were named as: Junior Grade Lieutenant Ludwell R. Pickett, Coronado, Calif.; Junior Grade Lieutenant Joseph J. Loughlin, Wilmington, N. C.; Chief Machinist's Mate Harry M. Bradley, San Diego; and Aviation Machinist's Mate John Joseph Carney, East St. Louis, Ill.

INVESTIGATION OPENS AS
BODIES OF VICTIMS SOUGHT

San Diego, Calif., April 7. (AP)—Patrol craft searched the sea today for three missing victims of a mid-air collision which sent four Navy flyers plummeting to their death in the flaming wreckage of two bombers.

A naval board of inquiry was called to meet aboard the aircraft carrier Lexington and investigate yesterday's tragedy while the search went on 40 miles offshore.

Sailors, who witnessed the collision told of a roar that "sounded like a clap of thunder," when one plane apparently sideslipped and landed on the plane underneath it. Naval officials denied there was a mid-air explosion.

For a moment, the two ships were enveloped in black smoke, seamen said. Then they plunged 500 feet flaming into the sea.

Lieutenant Loughlin, whose death was ascribed to drowning, fell clear of the wreckage as he neared the water. His body was recovered.

VARIETY NUMBERS LISTED

Corpus Christi, April 7. (AP)—Rabbi Jonathan Abramowitz of Dallas was elected president of the Kallah of Texas Rabbis, succeeding Rabbi David B. Albert of Tyler. Rabbi Sidney Wolf of Corpus Christi was elected vice president and Rabbi David Lefkowitz of Dallas was re-elected Chancellor. Dallas was selected as the city in which the 1938 Kallah will assemble.

Appointees Named.

Austin, April 7. (AP)—Governor Allred Tuesday appointed Dr. S. J. Alexander of Robertson County to succeed C. H. Rosser of Dallas on the State Board of Health. He reappointed to the Board, Dr. E. W. Wright.

Chrysler Agreement Reached As Giving Permanent Force

DRAMA NOTED AS NEW PACT IS APPROVED

Both Sides Claim Satisfaction as Way Opened for 85,000 Workmen To Return to Positions—Martin Declares Sit-Downs Are at End.

Detroit, April 7. (AP)—A dramatic midnight settlement of the \$70,000,000 Chrysler strike that will send 85,000 workmen back to their jobs within two weeks was hailed today as the basis for permanent peace in the automotive industry.

Governor Frank Murphy, in whose office at Lansing the pact ending the month-old strike was signed by high officials of the Chrysler Corp. and the United Automobile Workers of America just before last midnight, expressed confidence that labor strife was near an end.

Interpretations Vary. Spokesmen for both corporation and union pronounced the agreement satisfactory. Interpretations of the formula that solved the long-deadlocked issue of "sole recognition" varied, however.

The U. A. W. A., throughout the negotiations for settlement of the strike that began March 8, had demanded "sole collective bargaining rights." Its president, Homer Martin, commented that "I don't see how it could be any other" since the agreement gave the union the "exclusive privilege in bargaining with the corporation."

R. E. Hutchinson, the corporation's finance chairman, said the pact was "non-exclusive" and the company would continue dealing with other unions.

Hutchinson said that calls would go out today or tomorrow for workers to report, and that normal operations would be resumed within ten days or two weeks. As soon as the 65,000 Chrysler employees resume work, 20,000 workers in supply companies will return to their jobs.

Strike Cost High. Ward's automotive reports estimated today that Chrysler employees lost \$9,000,000 in wages during the first four weeks of the strike, which now is in its fifth week. Ward also estimated that the automobiles which normally would have been produced during that period would have sold for \$60,000,000 at the factory.

Added to that strike cost was a vast increase in the welfare fund which probably approximated \$1,600,000.

The settlement provided for further negotiations, to begin tomorrow, on such issues as seniority and methods of dealing with grievances. Today, Governor Murphy planned to bring together representatives of the U. A. W. A. and the Hudson Motor Car Co. and the Real Motor Car Co. in separate conferences to seek a termination of strikes which have closed those plants.

"Sit-Downs" To End. A statement by Homer Martin, international president of the union, indicated that sit-down strikes in the motor car industry were at an end.

The agreement itself provided that the U. A. W. A. would call no more sit-downs in Chrysler plants during the life of the pact, which is effective until next March 31.

The corporation granted the union bargaining rights for its employees who are members of the U. A. W. A. The union had asked for exclusive bargaining rights and called the strike when this was denied it.

SHARP WATCH MAINTAINED
FOR FLYING LINDBERGH

London, April 7. (AP)—Airports of a dozen countries kept a sharp lookout at emergency landing fields today for Colonel and Mrs. Charles A. Lindbergh, unreported since they hopped off from Zagreb, Yugoslavia, at 5:42 a. m. CST, yesterday morning.

The Lindberghs, winding up a two-months air jaunt to Asia Minor and India, were reported to have had only enough gasoline aboard their low wing touring monoplane to carry them to Austria, about two hours distant from Zagreb by air.

Although all points along their possible routes were on the alert no official search was immediately instituted.

Position of Treasury.

Washington, April 7. (AP)—The position of the Treasury on April 5: Receipts, \$42,595,760.73; expenditures, \$49,647,218.02; balance, \$1,692,145.08; customs receipts for the fiscal year (since July 1), \$3,816,439,682.54; expenditures, \$5,684,394,047.01, including \$2,176,825,841.96 of emergency expenditures; excess of expenditures, \$1,865,359,447; gross debt, \$34,780,413,567.63; a decrease of \$1,666,789.50 under the previous day; gold assets, \$11,582,787,709.16, including \$801,544,736.79 of inactive gold.

Condemn "Sit-Downs" At A. F. L. Convention

Lake Charles, La., April 7. (AP)—Delegates to the Louisiana State Federation of Labor convention heard W. R. Williams, representative of the American Federation of Labor, condemn "sit-down" strikes as "illegal and inimical to the cause of labor."

"People," he said, "are not going to tolerate sit-down strikes. If they are continued, they will lead to legislation."

Williams announced the intention of the American Federation of Labor to organize the oil workers of Louisiana.

UNION DRIVE IN TEXAS OIL FIELDS PUSHED

C. I. O. Chief's Comments on Governor Draw Boos of Crowd at Mass Meeting—Humble Officials To Confer on Objectives—Senate Acts.

Houston, April 7. (AP)—John L. Lewis' lusty Committee for Industrial Organization surged along today in its stubbornly-opposed drive to unionize under its banners a million American oil industry workers.

The newly-launched campaign will reach an important stage tomorrow when Harvey C. Fremming, president of the International Oil Workers Union, CIO affiliate, lays the union's demand before H. C. Wiers, president of Humble Oil and Refining Company. In negotiations with the steel and automobile industries CIO units have demanded recognition as sole bargaining agent for the workers.

Attention Spread. Yesterday the CIO drive drew attention in Beaumont, Houston and Austin.

Fremming and Adolph Gerner, Lewis organizer from Detroit, went to Beaumont for a mass meeting, where they exhorted Magnolia Refinery employees, 3,000 of whom previously voted against CIO organization, to "come out like men and join up." Fremming warned them they faced imposition of a 40-hour week in place of the present 36-hour system. He said 300 to 400 men might lose their jobs when that occurred and that his union was prepared to protect the workers' job security.

There was hoisting when Fremming referred to Governor Allred as a "decent fellow" who had been given "bad advice." Last week the Governor strongly condemned sit-down strike methods and said he would oppose them with all his might if they break out in the oil industry.

Fremming said the campaign machinery would be moving at top speed in 60 to 90 days.

Charges Aired.

Gerner disavowed CIO sponsorship of sit-downs, saying such strikes in the oil were in many cases "conducted by unions affiliated with the American Federation of Labor." He termed the A. F. of L. a "horse-and-buggy, bow-and-arrow" organization.

Meanwhile in Austin the Texas Senate suspended its rules to pass a bill designed to thwart sit-down strikes, stipulating penalties ranging from 30 days in jail to five years imprisonment.

HEALTH PLANS ARE OUTLINED

SANITATION AND MALARIA
CONTROL WORK HEARD
BY COMMITTEE

J. R. Smith, of Wichita Falls, district supervisor of the community sanitation and malaria control project of the State Department of Health, spoke to the Wilbarger County Health Committee Tuesday afternoon on the possibilities of a community sanitation project in Wilbarger County. The meeting was held in the office of Mrs. Ruby Ripperton, County Health Nurse.

The proposition has been submitted to the Wilbarger County Commissioners' Court, he said, and will be available if the people want it. With use of WPA labor pit-type toilets could be built on farms in the county if property owners supply materials, Mr. Smith stated.

Plans for the Child Health Day were discussed by Ira V. Younger, and Dr. R. C. Stokes listed committees to assist with arrangements for Clean-up and Safety Week in Vernon. Personnel of the committee includes: Medames P. D. Chaney and Clyde Muller, placards; Will I. Stephens and W. T. Lofland, sanitation; Medames L. L. McHugh, Philip C. Sears, George A. Long, and R. L. Coffee, food contamination.

Announcement was made that Will I. Stephens, W. T. Lofland, Mrs. L. L. McHugh, and Mrs. Ripperton will appear on the program of the lay section of the State Nurses convention in San Angelo during May.

Mrs. P. L. Ribble of South Vernon was principal speaker of the afternoon. Her subject was "Infant Care as a Mother Sees It."

Those present at the meeting were S. P. Vick, Ira Younger, Will I. Stephens, W. T. Lofland, W. H. Wright, J. R. Smith, and Medames W. W. Oliver, L. L. McHugh, Philip C. Sears, P. D. Chaney, George A. Long, Clyde Muller, P. L. Ribble, C. H. Neelam, and Kory Ripperton.

Exposition Aide

HARRY P. SAVAGE

PAN-AMERICAN ACTIVITY IS PUSHED BY VISITOR

Here to acquaint civic leaders with the value of the Greater Texas and Pan-American Exposition as a stimulant for increased tourist travel through this section during the 29-days' run of the fair, Harry P. Savage of Dallas, assistant to the promotion director, spoke last night at a meeting of directors of the Junior Chamber of Commerce.

Pointing out the various ways by which the entire Southwest will benefit from the Exposition, not only as an incentive for further tourist travel, but as a means for acquainting the 20 republics of Latin America with the products and materials this section has to offer them, Mr. Savage urged that Vernon take full advantage of the opportunity offered by its special day at the Exposition. June 21 has been selected as the day on which Vernon enterprises will be offered opportunity for publicity at the fair. The Exposition itself opens June 12.

Mr. Savage also announced he would confer with heads of many Vernon organizations, including Guy Self, president of the Lions Club; Frank Byrd, Optimist Club president; W. N. Martin, head of the Rotary Club; Mrs. H. D. Hockersmith, president of the Wilbarger County Federation of Women's Clubs; Miss Minnie Eberhart, Business & Professional Women's Club leader; W. T. Lofland, superintendent of schools; Mrs. R. M. Hampton, Parent-Teacher Association president; Mrs. E. A. Vernon, president of the Delphian Club; and Mrs. W. H. Huggins, Garden Club president.

"Every nation in the western hemisphere will be represented at the Exposition with each taking an active interest," Mr. Savage said. "The most outstanding collection of foreign exhibits ever assembled in this country will be shown. The entire fair has undergone a 'face-lifting' with only the permanent structures and layouts the same as last year," he added.

Routine business was resumed following Mr. Savage's talk and directors voted to appropriate approximately \$14 of Junior Chamber funds for the purchase of merit badges for Vernon Boy Scouts. He was also decided that Dr. R. C. Stokes should consider methods of using money from the President's Charity Ball held here and report to the directors when a suitable purpose is found.

L. H. Wall, chairman of the Junior Chamber's committee on athletics, was directed to invite managers of all teams who competed in the Junior Chamber of Commerce Softball League last summer to meet Wednesday evening at 7:30 o'clock in the courthouse here for a discussion of plans for reorganization of the league for play this season.

Dr. R. C. Stokes presided at the meeting in the absence of the president, R. L. More, Jr. Directors present were Clyde Norman, G. T. Morris, L. H. Wall, A. M. Hintz, R. G. Coffey, Clyde Watts, W. H. Streit, D. D. Moore, Zeno Phillips, E. E. Mason and E. S. Craig.

SENATE TO HEAR NEW DEAL
"POLICY" ON SIT-DOWNERS

Washington, April 7. (AP)—Senate Majority Leader Robinson, Democrat, Arkansas, said Tuesday he had agreed with other Administration chiefs on a "declaration of policy" on sit-down strikes. It will be brought before the Senate for speedy action Wednesday, he said.

Robinson said a group of Democratic Senators had decided at a prolonged conference Tuesday on a modified version of a resolution offered Monday by Senator Pittman, Democrat, Nebraska.

In its original form, this resolution condemned sit-downs as "illegal and contrary to sound public policy," and also denounced "the so-called industrial spy system" used by some employers to combat labor unions.

Robinson said he would offer an amendment to the resolution, approved by the conference, but did not reveal its nature.

PEACE OF EUROPE THREATENED BY NEW CRISIS AS SHIPS OFF SPANISH COAST ARE BOMBED

(By The Associated Press) Renewed Spanish insurgent bombings of British warships and merchant vessels and charges by Italy of Franco-Soviet violations of the "hands off Spain" agreement threatened serious international reverberations today.

Opposing Spanish armies clashed in two of the bloodiest battles of the civil war.

Great Britain demanded a quick and satisfactory explanation from insurgents for two aerial attacks on her destroyer, Gallant, off the east coast of Spain.

Destroyer Sails.

She dispatched the destroyer Garland to Palma, Mallorca, held by insurgents, to back up her warning that she will not tolerate interference with her shipping. The Gallant was bombed twice yesterday but was not hit.

Britain also considered making a formal protest over the shelling of the British steamer Thorpehall by insurgent vessels in the Bay of Biscay yesterday.

In Rome, Government-controlled newspapers said that because other nations had violated the agreement not to send arms and volunteers to Spain, Italy might feel forced to take counter-action.

Usually informed sources said Italy and Germany might withdraw from the 27-nation agreement in protest against alleged foreign aid to the Madrid-Valencia government, particularly by France and Russia. Italy and Germany have themselves been accused of repeatedly breaking neutrality pledges.

More Italians Arrive.

In London, the Spanish Embassy declared it had received confirmation of the reported landing of 10,000 Italian troops at Cadiz, Spain, as aid for insurgents on March 22, 23 and 24.

Meanwhile Northern Spanish insurgents led by General Emilio Mola fought fiercely in their drive toward Bilbao, forcing Basque defenders of strategic mountain passes along the Duero valley, 16 miles from Bilbao, to retreat up the sides of Amboto Peak.

Insurgents were said to have captured large ammunition supplies and to have found 876 government dead in one sector of the Durango fighting.

CASTS READY FOR CONTEST

VERNON AND OKLAUNION
PLAYERS WILL COMPETE
AT WICHITA THURSDAY

One-act play casts of Vernon and Oklaunion will compete in the District 9 Interscholastic League meet at Wichita Falls Thursday. Preliminaries are to begin at 9 o'clock with 10 casts presenting their plays in the following order: Baylor County, Oklaunion, Montague County, Wichita Falls, Clay County, Wichita County, Jack County, Archer County, Vernon and Young County.

The best three plays selected from the preliminaries will appear in the final contest Thursday night at 8 o'clock. All of the presentations will take place in the auditorium of the Hardin Junior College. Joe R. Humphrey of Olney is the district director for the one-act play contest.

Members of the cast of the Vernon play, "Elmer," are: Glenn Terrell, Darcy Lester, Glenn Flowers, Jean Masie, Kathryn Winniford, LaVern Pollard, Sophia McGraw, A. E. Pearce, Lewis Bond and Mary Alice Dray, alternate. Mrs. C. J. Price, director; Miss Alice Marchison, assistant; and Homer Gordon, stage manager, will accompany the cast.

The Oklaunion cast, winner of the county meet, is composed of Basil Gibson, Oleeta Covington, Fleeta Ashley, Peggy Green and Weldon Ramsey. Miss Virginia Ann Shultz is director. "Circumstances After Cases" is the name of Oklaunion's play.

Other contests in the annual district meet will be held at Wichita Falls Friday and Saturday.

Death Cause Undetermined.

Eastbourne, Eng., April 6. (AP)—A coroner's jury announced Tuesday night it could not determine how Frank Vosper, British playwright, fell into the sea from the liner Paris a month ago today.

COURT REFORM DANGER NOTED

OPPONENTS OF JUDICIARY REFORM IN SPOTLIGHT AT HEARINGS

Washington, April 7, (P)—Ignatius M. Wilkinson, dean of Fordham University law school, declared today the Roosevelt court program was dangerous to the continuance of constitutional democracy.

"It's ultimate effects will tend to undermine the independence of the Supreme Court and indirectly of all courts," he said in a statement prepared for the Senate judiciary committee.

The Administration bill, he said, seeks to create vacancies in the Supreme Court to enable the President to appoint justices who would be responsive to his views on social legislation.

"The real objection to the attitude of the Supreme Court on the part of many people supporting the plan," Wilkinson testified, "is not alone that the position of the court is a departure from the true meaning of the Constitution in constraining, for example, the general welfare clause, but rather that the judicial views in question are unpopular and out of step with the times."

"If the Supreme Court is to be made to respond always to the prevalent sentiment of the moment, ultimately it must become wholly subservient to public opinion."

James O. Monroe, Democratic State Senator in Illinois, testifying last yesterday against the bill, urged substitution of a constitutional amendment.

Frank Cannett, newspaper publisher and chairman of the National Committee to Uphold Constitutional Government, in a telegram to Vice President Garner asked that the Senate repudiate a speech by Postmaster General Farley "implying executive control over the deliberations of the Senate."

Gannett said Farley had asserted: "We have let the Senate talk all it wants. Then the House will talk and after they are talked out, we will call the roll. We have plenty of votes to put over the President's program."

STANOLIND ANNOUNCES NEW
WAGE HIKE IN OKLAHOMA

Tulsa, Okla., April 7, (P)—Wage increases for all hourly paid employees "generally in line with raises granted by other oil companies recently" were announced today by Frank O. Prior, president of the Stanolind Oil and Gas Company.

The increases were effective April 1.

The Stanolind Pipeline Company was understood to be considering meeting wage schedules announced recently by the Gulf, Magnolia and other companies relating to field workers. Office workers were given an upward revision the first of the year.

Marlin Mayor Returns.

Marlin, April 7, (P)—Publisher J. McKenney today occupied the mayor's chair for the seventh consecutive year. The Marlin Democrat publisher went in on a ticket that included Sam Dellahite, 22, believed to be the State's youngest city attorney and alderman.

HERE, THERE AND YONDER

New Election Record.

More votes were polled in Vernon Tuesday than in any past city election here in which the candidates were unopposed, according to City Secretary S. H. Hall. One hundred and three voters marched to the polls during the day in giving J. V. Owens and R. J. Evers 100 votes each. Mr. Owens and Mr. Evers were candidates for places No. 3 and No. 4 on the City Commission. With several candidates in Mayor and Commissioner races last year, the election attracted 1,530 voters. In a run-off for one of the posts on the City Commission a few weeks later, the total vote was 841.

Ready Writers Announced.

Winners of high school junior and ready writers contests among Vernon schools were announced today by officials. Bates Russell and Marjorie Ann McCarter were winners in the declamation contest and Sammie June Porterfield was selected as alternate. Gloria Beth Nixon was the winner in the ready writers division with Marjorie Ann McCarter chosen as alternate. Winners were not announced in these divisions recently at the close of contests due to a delay in grading papers.

At District Meeting.

E. H. Waggoner manager of the Vernon office of the Railway Express Agency, attended a district meeting of agents in Wichita Falls Tuesday night. Railway Express officials present included E. K. Stone of Houston, regional general manager, and R. S. Hampshire of Dallas, superintendent.

ANTI-LYNCHING MEASURE SPLITS HOUSE IN DEBATE

Washington, April 7, (P)—The House divided into three factions today over anti-lynching legislation, long a source of argument in Congress.

Leaders called up for debate during the afternoon a measure by Representative Mitchell, Democrat, Illinois, called the "Anti-Lynching Bill," which would permit a prisoner to be taken from custody and lynched.

The House Republican membership, however, decided last night to support a proposal of Representative Gavanagh, Democrat, New York, to authorize prosecution of members of mobs as well as peace officers involved.

It will be considered next Monday. Gavanagh said Mitchell's bill had no teeth.

Both measures would make a county liable for damages in event of a lynching, payable to the victim's family.

The third group of members, chiefly from southern, opposes Federal anti-lynching laws as an unnecessary invasion of states rights.

JEFFERSON COMMUNITY PRESENTS DEMAND FOR JAIL

Nome, Texas, April 7, (P)—Nome needs a jail.

"When the Constable arrests one outlaw and brings him in to the jail in Beaumont, three or four others loose on the community," spokesmen for a delegation requested the jail before Jefferson County Commissioners stated.

Commissioners agreed that a cell from the county jail annex, soon to be razed, may be installed in a building at Nome to serve as a temporary lock-up.

DECISION IN OIL SUIT UPHELD BY AUSTIN COURT

Austin, April 7, (P)—The Supreme Court declined today to change its previous action sending back for retrial a case involving title to valuable land in the Yates oil field. It overruled a motion for rehearing in the case of the Permian Oil Company against W. A. Smith and others. The opinion was written by Supreme Justice Elwood F. Davis of Houston, sitting for Associate Justice Richard C. Wright who disqualified himself.

Knox Will Action Delayed.

Dallas, April 7, (P)—Hearing on a petition for contesting the will of the late Mrs. Mary Knox has been postponed from April 15 to April 20, County Probate Judge Ben H. Fly said today. The petition was filed by William Knox and Hiram Knox, grandsons of the 91-year-old woman who was found slain in her home several weeks ago. The will provided small bequests for friends and relatives, but the bulk of the estate was left to institutions.

ARMY FLYER LOST IN GULF

PILOT PLUNGES INTO BAY MAKING POWER DIVE IN PRACTICE

Galveston, April 7, (P)—Lieutenant A. E. Livingston a reserve officer piloting an Army plane crashed in the Gulf here today while making a power dive. Coast Guard boats had not returned from the scene. Lieutenant Livingston was alone in the plane. His home address was unknown to Fort Crockett authorities. He was with the Third Attack group flyers from Barksdale Field, Shreveport, in training here.

Livingston was 28 years of age and unmarried. He was a son of J. A. Livingston of Russellville, Ark., and was a member of the Fifty-fifth Pursuit Squadron. He was in a single seater plane when the accident occurred.

News of the accident was radioed to Barksdale Field from field headquarters of the Fifty-fifth Pursuit Squadron at Galveston, Pursued in high altitude gunnery training there. Major Carleton Bond, operations officer of the Twentieth Pursuit Group, said radio reports from the scene indicated the pilot's single seater pursuit plane dived into the water half a mile offshore.

PILOT TOWING TARGET AT TIME OF ACCIDENT

Galveston, April 7, (P)—Second Lieutenant A. E. Livingston, who crashed into the Gulf of Mexico today, was towing a target in aerial gunnery practice of the 55th pursuit squadron.

His reports were meager but a brief radio message after the ship wreckage was sighted from above said:

"Airplane dived into water about three and half miles off shore; pilot apparently killed. Coast Guard boats salvaging wreckage. Officers did not advance a cause but discounted a theory that the target plane was towing was responsible. The target usually is dragged several hundred feet behind the plane."

SENATE LABOR STAND SOUGHT

Washington, April 7, (P)—Majority Leader Robinson, Democrat, Arkansas, disclosed today that he would ask the Senate to condemn common labor practices "any other unfair labor practices" together with the sit-down strike.

He said he expected the Senate to vote shortly on a "statement of policy" with regard to the strikes agreed upon yesterday by a group of Administration leaders.

The resolution he had prepared denounced sit-downs as "illegal and contrary to sound public policy," and added:

"The so-called industrial spy system breeds fear, suspicion and animosity, tends to cause strikes and industrial warfare and is contrary to sound public policy for any employer bargaining to foster the company union, or to engage in any unfair labor practice as defined in the national labor relations act."

Robinson said the measure was drawn as a joint resolution, which would not force any action by the President. It would be, in effect, a mere declaration of sentiment by Congress, and would never go to the White House for signature.

LOCAL BRIEFS

NELLIE HARVEY CASE REVERSED

Convictions of Mrs. Nellie Harvey of Wichita Falls in Forty-sixth District Court here last Fall were re- versed and remanded this morning by the Court of Criminal Appeals at Austin, according to The Record.

Mrs. Harvey received two and three year sentences after being found guilty by a jury in two forgery cases last November. She was indicted on four counts in connection with the passing of worthless checks. Two untied cases remain on the District Court docket here.

Mrs. Billie Bell, a prison inmate, confessed early this year that she passed checks in Wilbarger and other counties resulting in indictments against Mrs. Harvey.

Vernon witnesses who identified Mrs. Harvey as the person passing the checks at four business establishments here did not recognize Mrs. Bell as the woman passing the checks after visiting her in a Marlin jail.

District Attorney Jesse Owens said here today he had no comment to make concerning the reversal until he read the Court's opinion. Mr. Owens stated he would not recommend dismissal of untied cases against Mrs. Harvey unless witnesses here identified Mrs. Bell as the person passing the checks.

Edward A. Bell, husband of Mrs. Bell, was indicted here in February in connection with the passing of the checks for which Mrs. Harvey had been indicted.

JUNIOR "BLACK LEGION" AT TUCSON REVEALED

Tucson, Ariz., April 7, (P)—Aroused by activities of a gang of boys who called themselves the "Black Legion" and branded their members with an ice pick, the Pima County coordinating council demanded of the Tucson City council today that it enact an ordinance censoring movies.

"Moving pictures of recent months dealing with Black Legion activities in the east and other vivid details of major criminal activities and methods are largely responsible for this deplorable situation," asserted Mrs. William Bray, president of the coordinating council.

Police Chief C. A. Willard said he had exposed three gangs of the boys, from nine to 15 years of age, who branded their members, levied a toll of petty thieving on merchants and householders, and operated from headquarters in a storm sewer beneath the city streets.

From the pockets of some of the boys questioned, Willard said he took \$107 in cash, a water watch \$30, shares of stock, and other valuables that had been stolen. The loot over a period of several months would total more than \$1,000, he said.

The boys told of a leader who carried a gun in a shoulder holster and "would shoot you if you didn't do what he said."

Burglary charges were filed against two of the boys. Twelve others were questioned and released on their own recognizance. Willard said the two ringleaders, who called themselves "president" and "vice president," had not been found.

FARMERS DRIVE STRIKERS FROM HERSHEY BUILDING

Hershey, Pa., April 7, (P)—Trade farmers and workers opposed to the union went into the plant of the Hershey Chocolate Corporation today and drove sit-down strikers from the building.

The farmers whose market for some 500,000 pounds of milk daily has been paralyzed since the strike started last Friday, took matters into their own hands after they said sit-down strikers rescinded an agreement to come out by 1 p. m., the final deadline set by the milk producers and "loyal workers."

RESOLUTION STIRS DEBATE

CONDEMNING OF ILLEGAL LABOR PRACTICES GETS REPLY FROM BORAH

Washington, April 7. (AP)—A resolution condemning illegal labor practices of both workers and employers struck the controversial sit-down strike issue before the Senate today for the second time this week.

The measure, supported by a strong bloc of Administration Senators, appeared likely to be adopted to after brief debate.

It was drafted by Democratic leaders yesterday, after the Senate refused to insert a denunciation of sit-downs in the Guffey-Vinson coal bill.

Senator Borah, Republican, Idaho, said he was not necessarily committed to vote for the resolution.

"I do not propose to single labor out and condemn its illegal acts," he said, "and leave capital free to pursue its illegal methods. If that be treason, make the most of it."

The veteran Idahoan repeatedly has blamed monopolistic industry for much of the current industrial strife.

Majority leader Robinson, Democrat, Arkansas, said the new measure was based on a resolution by Senator Pittman, Democrat, Nevada.

That resolution in its original form termed sit-downs illegal and contrary to sound public policy, and described "so-called industrial spy systems" as equally violating public policy.

Amendments agreed on at the conference were said to strengthen both of these pronouncements.

COURT OF CRIMINAL APPEALS HANDS DOWN FOUR DECISIONS

Austin, April 7. (AP)—The Court of Criminal Appeals today overruled State's motions for rehearing in the cases of H. B. Opp and L. E. Trimble, convicted of murder of W. R. Tomlinson in Menard County, Nov. 27, 1934. Both cases had been reversed and remanded.

Opp, tried in Burnet County on a charge of venue, was sentenced to 30 years and Trimble received a five-year sentence in a trial in Gillespie County.

The Appellate Court affirmed the six-year sentence of Raymond Sanchez for the slaying of Tony Cisneros in San Antonio Dec. 26, 1935. Cisneros, a special officer, was alleged to have been shot by Sanchez, Nov. 8 judgment was reversed and remanded and a rehearing granted Will Watson on a sentence of 10 years in connection with the slaying of J. D. Sheen in May, 1935. The appeal was from Montague County.

Conviction of Everett McArthur, sentenced to three years for the murder of Ben Speegle in Motley County Nov. 22, 1935, was affirmed. The indictment alleged McArthur choked Speegle to death.

PHILIPPINE PRESIDENT PRAISES TEXAS FRIENDS

Dallas, April 7. (AP)—Mamuel Quezon, President of the Philippines, praised his Texas friends during a brief stop-over on a trip to Mexico City today.

President Quezon, accompanied by his wife and three children, were en route to the Mexican capital aboard the private car of Matthew Sloan, chairman of the board of the Missouri-Kansas-Texas Railroad.

In Mexico City they will be guests of Judge W. E. McMahon, formerly a resident of Bonham, Texas.

Quezon said in a formal statement: "I have been wanting to visit Texas since my latest visit to Houston, when I attended the Democratic convention there in 1928."

He said he had been a friend and admirer of John Nance Garner, the Vice President, "for many years. He and I have much in common. We agree on the best form of diversion and the best kind of entertainment."

Quezon said he became acquainted with Garner, Senators Morris Sheppard and Tom Connally, Congressman Hutton Summers and other Texans when he was Philippine commissioner to the United States Congress.

Mrs. Chaney Made New President of High School Unit

Mrs. P. D. Chaney was elected president of the Vernon High School Parent-Teacher Association for the coming year at a meeting Wednesday morning in the Junior High school auditorium.

Others elected were Mrs. R. L. Coffee, first vice president; Mrs. Oran R. Key, second vice president; Mrs. Stella Bryant, secretary; and Mrs. W. V. Cooper, treasurer. All five of these officers were named delegates to the thirteenth district conference of the Texas Congress of Parents and Teachers which is to be held in Wichita Falls April 12-14.

The unit also voted to join with the City Council and local civic organizations in inviting the district conference to Vernon for 1938. During the business session for which Mrs. Y. H. Babasin presided, the Association voted to cooperate with the Vernon Safety Council and contribute to its fund.

Superintendent W. T. Lofland announced a handbook exhibit and program which will be given at Fannin School Monday afternoon.

The Parent-Teacher meeting followed presentation of a comedy, "Elmer," which will be entered by Vernon High School in the district one-act play tournament Thursday at Wichita Falls. The cast of characters includes Glenn Terrell, Darrell Luseter, Kathryn Winniford, Jean Massie, Lewis Bond, A. J. Pearce, LaVerne Pollard, Aljio Murchison, Mayme Flowers, Sophia Mae Gross, Mary Alice Dray, alternate, and Homer Gordon.

The auditorium was filled with parents and teachers for the performance. Mrs. C. J. Price is director of the play.

Experts Say Coiffures Must Follow Hat Design

Denton, April 7.—Now is the time for all good women to figure out their hairdresses for the remainder of the Spring and Summer. Most of the new hats are designed to expose the coiffure, so one must be sure to have something worth exposing.

Variety is as present in hair styles as in hats, with longer bobs, almost shoulder length, definitely coming in again. The "flat on top" styles are most favored except for formal wear, when small bunches of curls can be perched all around the crown of one's head. Unless a natural curl is present, the foundation of a permanent is necessary for every fashion.

For the pill-box or shallow basket hats, try the new page-boy coiffure, which some medieval picture contributed to the modern scene. The hair hangs straight to the nape of the neck, where it turns under in a thick roll. Straight bangs are effective with this style, if one can manage them without loss of dignity.

Ladies' Aid to Meet.

The Ladies' Aid Society of the St. Paul's Lutheran Church will meet Friday afternoon at 2:30 o'clock in the church basement, according to an announcement made Wednesday. The meeting was postponed last Friday because of the absence of the pastor.

Club Meeting Scheduled.

The South Vernon Home Demonstration Club will meet at the home of Mrs. W. H. Johnson Thursday afternoon. Mrs. Ed Pearce will be joint hostess for the meeting.

One-half of the infants in the United States show some signs of rickets during their growth, according to estimates.

KITCHEN GOALS FOR FARM WOMEN NAMED BY AGENT

Adequate storage space, proper disposal of waste, and a water system within the house are goals to which farm women of Wilbarger County should work, Miss Doris Leggett, County Home Demonstration Agent, told Southwest Club members Monday afternoon. The program on general kitchen efficiency was given at the home of Mrs. C. H. Price, club kitchen demonstrator. In her demonstration Miss Leggett displayed pictures of poorly and well arranged kitchens. Other goals to which the house wife should strive are sanitary and attractive walls and as many labor saving devices as possible, Miss Leggett added.

At the close of a recreational hour the club rehearsed a play, which it will present in the near future.

Refreshments were served to Mesdames Claude Bildstein, Melvin Carter, E. M. Williams, Grady Price, James Ross, J. C. McLarty, Richard Taylor, Lewis Webb, J. T. Carpenter, Andy Thompson, Eli Stewart, Miss Leggett, and the hostess, Mrs. Price.

Wesley Workers' Class Makes Quilts Tuesday

Wesley Workers of the First Methodist Sunday School met at the church Tuesday for quilting, a project in which members are frequently engaged. The quilt is to be completed Wednesday and will be sold for benefit of the class. Four quilts have been donated to the Red Cross in recent months by the class.

At the noon hour a covered-dish luncheon was served to Mesdames D. Wimby, W. E. Kelly, F. E. Peil, E. H. Wilson, A. J. Carpenter, J. W. Laxton, W. F. Martin, Cal C. Wright, F. A. Caperton, C. A. Atwell, Marvin Britte, J. C. Blanchett, J. L. Showers, R. M. Glass, B. H. Lewis, and C. L. Olive.

TEXAS STREET W. M. S. MEETS AT CHURCH TUESDAY

The Women's Missionary Society of the Texas Street Methodist Church met Tuesday afternoon at the church. Mrs. R. V. Tooley led the devotional on Luke 7: 47-48, and the meeting was concluded with a business session. Mrs. Porterfield dismissed five members and one visitor with prayer.

Lockett Young People.

A pic supper and cake auction will be sponsored by the young people's division of the Wesley Chapel Methodist Church Friday evening at 8 o'clock in the South Lockett school auditorium. Proceeds will be used to send delegates to a Summer assembly.

Music will be furnished during the evening by the South Lockett string band. The public is cordially invited to attend.

Junior Delphians Hear Connoisseur At Wichita Falls

Pursuing their study of glassware members of the Junior Delphian Club went Tuesday to Wichita Falls where they heard a lecture on American glass by Mrs. E. B. Bailey, connoisseur and owner of the Log Cabin Antique Shop.

Mrs. Bailey illustrated her lecture with examples of glassware typical of distinct periods in the history of American glass making. At the conclusion of her talk Mrs. Bailey served tea to the group present.

Accompanying the club were Mrs. Arch Collins, Mrs. John Storey, and Mrs. D. D. Bourland of Wichita Falls, former Vernon residents. The members present were Mesdames M. K. Berry, Alan Johnson, B. T. Juvenal, E. C. LeBus, R. E. Mason, James Pace, Harold Shive, U. J. Smith, Chester W. Showers, Robert S. Wright, and Miss Dorothy Cook.

"Inside Europe" To Be Reviewed for Club Here

A review of John Gunther's "Inside Europe" will be given by Mrs. E. E. Powell to the Social Arts Club Thursday afternoon at 3 o'clock. They will meet in the home of Mrs. Bill Abbott, 3402 Marshall Street, with Mrs. W. F. Wilson and Mrs. E. H. James as assistant hostesses.

Mrs. Powell previously gave a review of the book under the sponsorship of the Delphian Club book review committee, and it evoked so much favorable comment that Mrs. Powell was requested to repeat the review for Social Arts members. Mrs. Earl Adamson is leader of the program for the afternoon, and the better English drill will be given by Mrs. Clois Morris.

MENUS SUGGESTED FOR SUNDAY NIGHT INFORMAL SUPPERS

Denton, April 7.—Sunday night suppers have come into prominence as social affairs within the past few years. Such an occasion is the opportunity "par excellence" for dispensing hospitality to friends who do not have a home, or for gathering a group of friends into a Sunday Night Supper Club. Menus may be as simple or as elaborate as the hostess can prepare and served with ease.

The buffet method of service is well adapted to this type of meal. The food may be arranged attractively on platters and placed on the main table just before the guests arrive. Each guest serves himself and selects a congenial group with whom to eat. In case the hostess' home is large enough, card tables may be placed over the living room and dining room, and the guests seated in some designated way.

Suggested Dishes.

Tongue a la Maryland: 1 beef tongue, 1/4 cup butter, bay leaf, 1 tablespoon whole cloves, 1/2 teaspoon salt, 3/4 cup brown sugar, 1/2 cup canned or cooked cherries, 1 cup broth (from tongue) and 1/2 lemon. Scrub tongue and put on to simmer in sufficient water to cover it. Cook until tender. Trim the root end and remove all the skin. Place in a covered pan and add salt, cloves, butter, bay leaf, brown sugar, cherries, broth in which tongue was cooked, and sliced lemon. Let simmer, covered, on top of the stove. When very tender, remove cover and cook until broth thickens.

Ambrosia: 1 cup sliced orange, 1 cup diced pineapple, 1 cup diced peaches, 1 cup grated coconut, sugar. Pare and section oranges, saving all juice. Cut in pieces. Arrange alternate layers of fruit in dessert glasses, sprinkling each layer with coconut and sugar. Over each glass pour orange juice. Serve very cold.

Thousand Island Recipe.

Thousand Island Dressing: 1 cup mayonnaise, 4 tablespoons chili sauce, 1 tablespoon chopped green pepper, 1 teaspoon vinegar, 1 tablespoon chives, 1 tablespoon chopped red pepper, 1 teaspoon paprika, 3 tablespoons catsup. Chop the pepper and chives finely. Add the ingredients to the well seasoned mayonnaise and blend thoroughly. Chill and serve on lettuce salad.

Lemon Meringue Filling: 4 tablespoons corn starch, 1 cup sugar, 1 1/2 cups boiling water, 1/2 tablespoon butter, 2 egg yolks, 1 lemon (rind and juice). Blend the sugar and corn-starch thoroughly and add to the well beaten egg yolks by spoonful. Gradually pour the boiling water over the mixture and stir constantly to prevent lumping. Pour the mixture into a double boiler and add butter, lemon juice, and grated rind. Mix well. Let mixture cool before putting it into the pastry. Cover the top of the pie with meringue and bake at 300 degrees F. for 10 to 15 minutes.

Miss Sharp Presents Two Pupils in Recital

Billy Denny and Ruth Vernon, young piano pupils of Miss Geraldine Sharp, were presented in recital Tuesday afternoon at the home of Miss Sharp's parents, Mr. and Mrs. M. L. Sharp. The two were assisted by Marvin Sharp, Jr., a pupil of Miss Enid C. McCarroll. The program was as follows: "Tweedle Dee and Tweedle Dum," (Williams), Billy Denny and Marvin Sharp, Jr.; "Rabbit Revels," (Williams), and "Cradle Song," (Weybright), Ruth Vernon; "Jack Be Nimble," (Diller-Quaile), and "Happy As Kings" and "Trot, Trot, Trot," (old tunes), Billy Denny; "The Fox Hunt," (Williams), and "Scissors Grinder," (Erb), Marvin Sharp, Jr.; "Waltz," (folk song), and "Swing Song," (folk song), Billy Denny and Miss Sharp; "Harp," (Williams), and "On The Levee," (Waldo), Ruth Vernon; "Signs of Summer," "Fairy Rainbows," "Sly Fishes," and "Money Maker," Billy Denny.

The home was decorated for the occasion with tulips and sweet peas. Those attending the recital were Warren Berry, Jack Denny, Hugh Bourland, Mr. and Mrs. E. A. Vernon, and Mr. and Mrs. M. L. Sharp.

TWO DENIED CLEMENCY IN LOUISIANA MURDER TRIAL

New Orleans, April 7. (AP)—The State Pardon board today unanimously denied clemency for Ralph Eidenhardt and Gladstone James, sentenced to be hanged Friday in the Gretna jail for the 1935 robbery-slaying of Vincent Bologna, a grocer, at McDonoughville.

A brief statement issued by the Pardon Board stated that the board concurred in the opinion of the trial judge, L. Robert Rivarde, that both men should hang for murder.

The members of the board were Assistant Attorney General James O'Connor and Lieutenant Governor Earl K. Long, sitting with Judge Rivarde.

Yesterday Judge Rivarde voted to deny clemency to both men, but it was indicated then that clemency would be recommended to Governor Richard W. Leche for James on the grounds that he was mentally deficient.

Unless the Governor or the Supreme Court should interfere with the executions Eidenhardt and James will be hanged at the Jefferson Parish jail for the hold-up and shooting of Bologna in which the small sum of \$25 was obtained.

Coyote Killing Confirmed.

Clarendon, April 7. (AP)—D. T. McCown, community reporter, confirms a story that the Giles school bus recently ran down and killed a coyote on a country road near Hedley. "Our bus jumped a coyote between Giles and Hedley," McCown said, "on a one and one-half mile straightaway of the old highway, and about 100 yards from the turn we passed it. In fact we passed directly over the coyote with one bus, one wheel, and 39 kids." He said the bus was traveling 45 miles an hour when it struck the animal.

Lubbock, April 7. (AP)—Hundreds of arrowheads of excellent workmanship, uncovered in a Val Verde cave high above the Pecos River, have been placed in the West Texas Museum at Texas Technological College. The arrowheads show the development of prehistoric workmanship from formation of crude flints to the "neopelter" type, curved and streamlined to attain a rotary motion after leaving the bow. Basketry, knives, awls, leather work, and fabrics, found with the arrowheads, also are to be placed on exhibit, Dr. W. C. Holden, curator, says.

Poultry Shipments Up.

Austin, April 7. (AP)—Interstate shipments of poultry, including turkeys, from Texas to interstate points in February increased above those of February a year ago but egg shipments decreased. The University of Texas Bureau of Business Research reports poultry shipments were 77 cars compared to 26 last year. Egg forwardings were only 20 cars compared with 120.

Vernon Team Wins Highest Honors in Boxing Show

LOCKARD WINS BY KNOCKOUT

LUTTRELL SENDS OPPONENT TO FLOOR SIX TIMES IN FIRST ROUND

Six Vernon amateur boxers won unanimous acclaim last night in Wichita Falls as by far the best group entered in the North Texas A. A. U. boxing show.

Three of the Vernon representatives won championships of their classes by decision or knockouts, two took titles by defaults, and one lost in the finals of his division by a decision which met with both bores and cheers.

Ed Luttrell, first of the Vernon contingent to put in an appearance, smashed his way to a first round victory, flooring his opponent, Bill McCull of Wichita Falls, six times in the first round before the referee stopped the fight. Both contestants weighed in at 150 pounds.

Next Vernon pugilist on the list was Chaney Lockard, inexperienced in the ring but packing a potent wallop, who won a second round victory when his opponent's seconds tossed in the towel. Alfred Goin, the "Battling Charley" whose name was not listed because of his mother's dislike for fighting, went down twice in the first round before the former Lion football captain. In the second round Lockard put him down to stay and took the 165-pound title.

Gordon in Best Fight. Fred Gordon, manager of the Vernon squad, was next to appear in the ring. Vernon Blaneett, his opponent in the 117-pound class, put up the best fight of the evening though Gordon took the decision after one of the wildest third rounds in North Texas boxing history.

Gordon took the first round by a wide margin, and he opened the second round by putting Blaneett down for a count of eight. The Burk Burnett fighter came back swinging, however, and put on the name of exhibition of the evening. After a third round of rough and tumble pive and take, Gordon was declared the winner by the unanimous vote of judges and referee.

In the light-heavyweight division, Herb Long of Vernon was declared the winner when no opponents appeared. Jack Blanton likewise was declared victor in the 145-pound class.

In one of the best bouts of the card, Frank Long of Vernon lost by a decision to stocky Bernardo Cheven. Mined bores and cheers greeted the decision after Long had outgeneraled his more experienced opponent to what fans thought should have been a victory.

Other winners were Charles Ellis of Wichita Falls in the 112-pound class, Bill Mays, also of Wichita Falls, in the 140-pound division; Eddie Russell of Wichita Falls by default in the flyweight division, and Ed Neal in the bantam weight class. Of the fight between Neal, Wichita Falls giant, and Hennig of Olney in the unlimited weight class ringside observer remarked, "Run them both through a grinder and you'd have a lot of sausage."

Vernon Athletes LIONS STUDY DIAGRAMS

Plan Altus Trip

Two Vernon athletes will be among competitors April 25 in the Altus Junior College Athletic Association's "Fight and Fun" night at the City auditorium. They are Cecil Colwell and Jiggs Childress, boxer and wrestler, respectively. Colwell will fight Walter Adams in a master-class epic. Each will weigh in at approximately 285 pounds. Childress, at 175 pounds, and George McCarty, 180-pounder, will "grunt and groan" for the edification of spectators, if any, with the struggle hold barred. Experience, according to Coach W. W. Nicklaus who is in charge of the program, is distinctively not a requirement for entry.

Bearcats Get Ready. The Frederick High School Bearcats, annual opponents of the Vernon High Lions in an interstate gridiron battle, plan to begin Spring training soon under the leadership of Coach John Gregg and co-captains Bert Hammond, lineman, and Roy Jack Smith, back. The Bearcats recently completed 1937 schedule as follows:

Sept. 24—Frederick at Tipton.
Oct. 1—Frederick at Vernon.
Oct. 8—Hobart at Frederick.
Oct. 15—Frederick at Hollis.
Oct. 22—Mangum at Frederick.
Oct. 29—Frederick at Altus.
Nov. 5—Snyder at Frederick.
Nov. 12—Frederick at Elk City.
Nov. 19—Mountain View at Frederick.
Nov. 26—Frederick at Grandfield.
• Denotes conference games.

Precision Emphasized. Classroom equipment was moved to the football field this week by Coach Heine Weir and now the Lions study a blackboard diagram of each play before running it in scrimmage. Coach Weir borrowed the idea from D. K. Bible, Texas University's famed new football coach, in a recent visit to the university.

Lions who get their signals mixed in the future will have little excuse and Vernon coaches expect the new device to add materially to the efficiency of the Maroon and White football machine.

FAVORITES TO CLASH IN RIVER OAKS NET TOURNEY

Houston, April 7. (P)—Favorite was matched against favorite in the seventh annual River Oaks tennis tournament fourth round competition today, and victory had a double meaning for four of the players.

A decision to play the rain-out Atlanta tourney men's doubles championship match here tomorrow placed double duty on Bryan (Bity) Grant of Atlanta, Wayne Sabin of Hollywood and Joe Hunt and Bobby Riggs of Los Angeles, top-notch performers who survived third-round competition at River Oaks yesterday.

Grant, seeded favorite in the River Oaks tourney, and Sabin will meet the Los Angeles players for the Atlanta title at 4 p. m. tomorrow. Rain last Sunday caused postponement of that event.

On Grant's hands today was Junior Coen, Kansas City star.

Still in there going strong was Wilmer Allison, former National titleholder. He was paired against Martin Buxby of Miami, Fla.

Yankees Aid Oakland. San Francisco, April 7. (P)—Three badly needed players are on their way west from the New York Yankees baseball camp today to help pull the Oakland A's out of the Pacific Coast League cellar. They are Pitcher Jimmy Tobin, winner of 16 games for the A's last season; Outfielder "Chief" Ernie Koy, who batted .213 for Newark in 1936, including 21 home runs; and Catcher Bill Baker, who batted .297 with Newark.

Sunday School Council Meet. A meeting of the Sunday School Council of the Federated Presbyterian Church will be held at 7:45 o'clock tonight in the church basement. Officials urge all members to be present.

P. G. A. NAMES SIX PLAYERS

FOUR VACANCIES REMAIN ON RYDER CUP TEAM FOR ENGLISH MEET

New York, April 7. (P)—President George Jacobus of the Professional Golfers' Association today named six members of the United States Ryder Cup team which will meet the British at Southport, England, June 23 and 30.

Other eligible and hopeful candidates began tuning their strokes for the remaining links tests which will decide the winners of the four vacant places.

Definitely allotted posts on the American squad, in addition to non-playing Captain Walter Hagen, are Gene Sarazen, veteran of all five previous cup clashes; Denny Shute, P. G. A. champion; Tony Manero, U. S. Open champion; Horton Smith, the putting paragon; Henry Picard and Johnny Revolta.

Jacobus announced their names after a conference with Ed Dudley, chairman of the P. G. A. tournament committee.

A new method will be employed in picking the four remaining team members. A group of at least 12 candidates will be named after the sectional qualifying rounds for the P. G. A. championship.

The four players of this group who compile the lowest averages during the 36-hole qualifying round for the P. G. A. at Pittsburgh, May 24 to 26, and the 72 holes of the National Open at Oakland Hills, Birmingham, Mich., June 10 to 12 then will fill the vacancies.

Of the six named today, only Smith and Picard have won neither an American nor a British national title. Both, however, had been consistent money-winners. The biggest money winner, Harry Cooper, is ineligible for the time, since he is not a native American.

SAFE-CRACKING RING IN NORTHEAST TEXAS BROKEN

Paris, Texas, April 7. (P)—Police said today five men have confessed here they blew up in three Northeast Texas towns.

They admitted robberies in Mount Vernon, Avery and Cunningham. At a general store at Cunningham about \$500 in merchandise and \$500 cash were taken.

Lamar County officers, assisted by State officers, arrested the suspects at Pittsburgh, Texas. Some of the stolen goods had been recovered, but most of it had been shipped to other states. A green truck used in the Cunningham robbery was the clue that led to the arrests.

Deputy Sheriff Jack Reeves said that further questioning of the men was expected to uncover the disposition of approximately \$10,000 in loot obtained in a series of burglaries and safe crackings.

WPA STRIKERS RETURN TO JOBS AT SAN FRANCISCO

San Francisco, April 7. (P)—Striking WPA workers, gradually returned to their jobs Tuesday as a conciliatory spirit developed and administrators ordered resumption of work.

Alex Nosal, State organizer for the Workers Alliance, one of the striking WPA unions, said, "If WPA officials assure us there will be no reduction in WPA rolls for May and June, I'm quite sure that will be a basis for settlement."

Rangers Take Lead.

New York, April 7. (P)—Many slogans have been written in tribute to underdogs who refused to believe the odds. Today Manager Lester Patrick of the New York Rangers, winners of five straight games in their quest for the National Hockey League's Stanley Cup, had composed a new one. "A dangerous goal on every stick" was the ice maestro's tribute to his lads in Broadway blue who gave the cup-defending Detroit Red Wings a 5-1 pasting. That triumph gave the Rangers the big "first game" edge in this three out of five series for hockey's world championship.

Steele-Thill Bout Talked.

Tacoma, Wash., April 7. (P)—A final answer to the fistie question, "Who has the middleweight championship?" appeared possible here today as preliminary sparring began for a bout between Freddie Steele, Tacoma's pride, and Farrell Thill, veritable French Bomber. Dave Miller, manager of the Tacoma man who bases his claim to the title on a long string of victories culminating in three wins over Eddie (Babe) Risko, announced he was willing to sign Steele for a fight with Thill in France.

"WHERE ARE THE DEAD?" IS EVANGELIST'S SUBJECT

"Where Are the Dead?" was announced this morning as the subject of Dr. M. A. Jenkins, evangelist, at the revival service tonight at the First Baptist Church. Services are held daily at 10 o'clock in the morning and 8 o'clock in the evening. Prayer services are held nightly at 7:30 o'clock. The revival will continue through Sunday.

Dr. Jenkins discussed "Hands That Rock the Cradle" at the morning service Wednesday. In his discussion of the Devil, Tuesday evening, Dr. Jenkins described him as a real person, evidenced by the prevalence of devilment and evil in the world. The Devil cannot be explained away without explaining away evil, he stated.

"The Devil is everywhere, resisting all that is good. He is busy trying to defeat Christ by the work of individuals, and in attempting to secure followers in a life of worthlessness," Dr. Jenkins said. He discussed the revolt of the archangel, Lucifer, and the faithfulness of the remaining archangels, Gabriel and Michael.

TRAINING CAMP BRIEFS

(By the Associated Press) Fort Worth—According to Dr. Earl Painter, trainer of the New York Yankees, Joe DiMaggio may be on the bench for six or seven more games. DiMaggio strained his throwing arm by cutting loose with several hard throws.

Clearwater, Fla.—As the Dodgers broke camp today, five members of the team were still in the hospital list with shortstop Tony Malinosky almost definitely out for opening day. This means Jack Hudson will be the Dodger shortstop when the season opens.

Shawnee, Okla.—Jack McCarthy, their apparent to Bill Terry's first base job on the New York Giants, has begun to hit as a result of Memphis Bill's hitless. McCarthy is batting .400 thus far in the Giants' series with the Cleveland Indians.

Shawnee, Okla.—Whitlow Wyatt, Cleveland right hander, will be out of uniform for several days with an infected right wrist, the result of a slight scratch.

Daytona Beach, Fla.—Rained out in Leesburg, the Cincinnati Reds came here today, hoping to make it two in a row over the St. Louis Cards.

El Paso—Chicago's White Sox and Cubs squared off today for their last meeting until they open a three-game set at Chicago April 16. Lefty Parmelee was slated to pitch for the Cubs, while Ted Lyons and John Whitehead were the Sox nominees.

Daytona Beach, Fla.—Dizzy Dean will open the season for the Cardinals against Cincinnati, April 20. Manager Frank Frisch announced today. Lon Warneke will get the second assignment and Paul Dean the third.

"PEOPLE'S LOBBY" ENDS OCCUPATION OF CHAMBER

St. Paul, April 7. (P)—A 15-hour occupation by the "People's Lobby" of the State Senate chamber—to emphasize demands for legislation to provide \$17,000,000 for relief—ended Tuesday.

The sit-downers, members of the "People's Lobby for Progressive Legislation" who moved into the Capitol Monday, several hundred strong, filed out of the Senate chamber after hearing Farmer-Labor Governor Elmer Benson tell them "you have accomplished your purpose."

Before honoring the Governor's suggestion that they disband, the group adopted a resolution requesting the Governor to call a special session "in case the Senate fails to pass legislation that will carry out the people's mandate." The House is "liberal" and the Senate "conservative."

Chopping Fire Wood.

Stone Lake, Wis., April 7. (P)—Chopping down trees in the wilds surrounding his camp and saving them into fire wood length to heat his cabin will be the extent of James J. Braddock's training activities for possibly two weeks. The World's heavyweight champion said today he will indulge in no boxing for at least that time. Road work is out of the question because of the muddy soggy condition of the highways, almost impassable even to motor cars due to melting snows.

Armstrong Wins.

Los Angeles, Calif., April 7. (P)—It took Henry Armstrong ten pounds and every blow in his deadly repertoire of punches to knock out battle-scarred Pete De Grasse here last night. Twenty-three seconds more and De Grasse, the "washed-up" featherweight the wise boys said couldn't last five rounds, would have gone the limit.

Henry Talked at K. U.

Kansas City, April 7. (P)—The name of Gwinn Henry, already well known to the Big Six Conference for his football coaching record at Missouri University, bobbed up today in discussions of the much-debated athletic directorship at the University of Kansas. Henry, whose style of deceptive and speedy play developed championship teams at Missouri, has been recommended for the post by the recently created K. U. Athletic Board.

Gilbert Back in Game.

Daytona Beach, Fla., April 7. (P)—Charley Gilbert, whose playing days with the St. Louis Cardinals were cut short by a hunting accident in 1932, was named today as the Cincinnati Reds' regular second-sacker for the 1937 season. Gilbert will replace Little Alex Kampouris, a product of the West Coast Minors.

Jap Pilots Killed.

Tokyo, April 7. (P)—Two Japanese naval pilots were killed today when their scouting plane fell apart in midair and plunged into the sea near the Yokosuka naval base.

LION SQUADS TO TANGLE THURSDAY IN GAME

White and Maroon teams of the Vernon Lions football squad will tangle Thursday afternoon at 4 o'clock on the City Park field, Coach W. C. Weir announced today.

Although many first-string footballers are out of uniform because of sickness, those who remain healthy go through a stiff workout each afternoon at the high school practice field in preparation for Thursday's encounter which will be played as nearly as possible like an actual game. Ten-minute quarters will be used but otherwise interscholastic League rules are in order.

The Lions went through a long session yesterday, ending a workout on fundamentals with a brisk scrimmage. Notable this Spring is the improved ball-handling ability of Maroon and White backs, seemingly as good or better than at any time during the last season.

ATTACK ON SCHOOL GIRL IS DESCRIBED BY MEYER

West Chester, Pa., April 7. (P)—Alexander P. Meyer told from the witness stand Tuesday how he killed and attacked Helen Meyer, 16, and discussed a previous attack on a friend of his victim.

Meyer volunteered to testify at the hearing in Chester County Court at which Judges Butler Windle and Ernest Harvey will determine the sentence Meyer must pay for killing the Coatesville school girl. Meyer pleaded guilty two weeks ago to a charge of murder and waived a trial by jury.

The Commonwealth asked that Meyer be sentenced to death in the electric chair.

Meyer said that Miss Meyer was apparently lifeless when he attacked her. He could detect no sign of life.

TURKEY HEN LAYS EIGHT EGGS IN DAY, SAYS FARMER

Corsicana, April 7. (P)—R. K. Finch, Richland, owns a turkey hen of championship calibre.

A total of eight eggs is the score for one day's individual egg laying effort, according to the information reaching Corsicana Tuesday.

The turkey hen, it is said, for the past several days made regular trips to the nest without results. Monday things were different. When she left the nest this time five eggs were with hard shells and three soft shell eggs remained.

The turkey was still alive, according to last reports, although a little droopy.

STRIKE OF GRAVE DIGGERS HOLDS UP SIX BURIALS

North Arlington, N. J., April 7. (P)—Fifty grave diggers laid aside their shovels in a sympathy strike for 10 general laborers seeking a wage increase at Holy Cross Cemetery and held up six burials scheduled for Tuesday.

Bodies of the six persons were placed in the receiving vault when the diggers, through Louis Manasco, president of the North Arlington Grave Diggers Association, said no ground would be broken until the laborers are given \$5 a day instead of \$4.

Fighter Recovering.

Hollywood, Calif., April 7. (P)—Bebe Marino, San Francisco welterweight who collapsed after a bout with Glenn Lee of Nebraska in Hollywood last Friday night, apparently is recovering today. Marino suffered a hemorrhage just under the upper layer of the skull, and was unconscious for hours after the bout.

FELLER FACES ANCIENT JINX

FEW "BOY WONDERS" MAKE GRADE ON MOUND IN MAJOR LEAGUES

New York, April 7. (P)—Youth will be served, but not apparently on the pitching mound.

Young Bob Feller, shooting at the tender age of 19 for 20 victories in the American League this season, defies a baseball superstition as old as Grover Alexander, a superstition upheld eloquently by statistics which show that hurlers achieve stardom and 20 victories late in their baseball careers.

A Di Maggio may be smothered in headlines his first year up, a Frisch may step from the campus to the Giants' infield, but hurlers are usually 25 or older before they crack the 20-game mark.

If Feller cracks this 30-year-old jinx, he's the real McCoy as a boy wonder, successor to a great tradition.

First of the great wonder children was Christy Mathewson. "Big Six" was a real one and proved it by winning 21 games for the Giants in 1901, when, fresh from Bucknell and a brief apprenticeship in the minors, he was 21.

Lefty Gomez and Wes Ferrell, two of the modern crop who ripened early, each won 21 games at 21 and Schoolboy Rowe was 21 when he joined the Tigers.

And now along comes that "Feller feller," schoolboy sensation. This year he will be breezing his high hard on against seven American League clubs and against a baseball maxim as well supported as Lou Gehrig.

GOLF PROS MOVE IN FOR CHARLESTON TOURNEY

Charleston, S. C., April 7. (P)—More than 50 leading golf professionals, a bit travel worn but seeking to add a last bit of cash to the old bank roll, trained their sights today on the \$1,250 prize in the Tournament of Gardens.

The field of 55 include most of the leading professionals who came here from the annual Augusta National tournament.

Missing, however, were Byron Nelson, of Reading, Pa., who won at Augusta, in a Garrison finish, Tony Manero of Salem, Mass., the National Open champion, and Denny Shute of Boston, National P. G. A. titleholder.

Although a third choice in clubhouse betting odds, Gene Sarazen of Brookfield Center, Conn., looked like a logical choice.

The Four Youth Club Boys are in Hollywood preparing for their parts in "Artists and Models," Jack Benny's next starring picture.

Mrs. Ethel Mars Boasts Strong Derby Threats

New York, April 7. (P)—Mrs. Ethel V. Mars, America's first lady of the turf, is bidding for the sixty-third running of the Kentucky Derby at Churchill Downs May 8 with a five-ply entry that boasts quality as well as numerical strength.

Heading the delegation from the Chicago sportswoman's Milky Way Farm at Palauka, Tenn., are Reaping Reward and Case Ace. The others include Murph, Jawbreaker, and Military.

Reaping Reward is considered the stable's real threat, however. He whipped Pompano by a nose in the mile and 70 yards of the New England fraternity and then came back a week later to take the mile of the Kentucky Jockey Club stakes at the Downs. His earnings were \$56,965.

"Reaping Reward is well advanced after training since Jan. 8," writes Trainer Bob McGarvey from Arlington.

TROTZKY DEFENSE GETS HEARING FROM U. S. BODY

Mexico City, April 7. (P)—Headed by Dr. John Dewey, New York educator, a "preliminary commission of inquiry" arrived Tuesday from the United States to hear Leon Trotsky's defense against anti-Soviet plot charges directed at him during the Moscow treason trial in January.

The commission conferred with Albert Goldman, Chicago attorney representing Trotsky, and Herbert S. Low, member of the committee for the defense of the Russian exile, to arrange procedure of the hearing.

REDS CRUMBLE FASCIST FRONT

SMASHING VICTORY OPENS
WAY TO SEVER REBELS'
MAIN HIGHWAY

Madrid, April 7. (AP)—A force of Government soldiers stormed the heights of Mount Chimorra in Cordoba Province, it was reported today, and put their insurgent foes to bloody rout in one of the most smashing victories of the Spanish civil war.

The thrust, near the easterly end of the Government's Pozo-Blanco front, carried the shouting "Millicians" within three and one half miles of Villaharta from which a short drive would sever the insurgents' main line of communications, the Cordoba-Penarroya road.

(Villaharta was erroneously reported captured last week.)

Last night, after the Government column reached the summit of Mount Dimorra, a detail was put to work burying the bodies of 400 insurgent victims of the fierce attack.

When day broke the Madrid-Valencia soldiers set out again, away from the mountain top, to clear out scattered groups of insurgents caught behind the suddenly formed new line.

Insurgents were reported in flight from Villaharta on the road to Penarroya. Mount Chimorra is part of the mountain range of that name fronting on the Cordoba-Penarroya highway from the north.

Government planes quickly followed up the Chimorra assault in a bomb attack on Villaharta, said reports by the Febus (Official Spanish) News Agency.

Three hundred prisoners were taken in the first wave of attack up the mountainside and toward Villaharta. Febus reported the death of Major Guillermo Garcia, commander of an insurgent column, while trying to escape in his automobile.

The Major's chauffeur was captured. Several insurgent regular army officers' bodies were found by the advancing militiamen.

Captured war materials included three German made tanks, one anti-aircraft battery, four trucks, many machine guns and automobiles, and a large quantity of rifles, sub-machine guns and ammunition.

W. C. Fields, is taking daily treatments from a dentist who calls on him at Las Encinas Sanitarium where he is recuperating from a prolonged illness.

DON'T SCRATCH, SOOTHE THE IRRITATION

Quick relief from the maddening itch of eczema, psoriasis, poison ivy, and irritation about the rectum or personal parts is obtained by applying an ointment called Resinol. Leave it on over night. It lessens the desire to scratch, and eases the irritation.

The soothing effect of Resinol takes the sting out of the irritated parts and makes you comfortable. The skin heals sooner, too, with the help of Resinol.

The oily base of Resinol Ointment is ideal for penetrating the outer layers of the skin and securing deeper action. Bathing the affected parts first with Resinol Soap hastens the effectiveness of Resinol Ointment. Many nurses suggest and use Resinol—why don't you try it?

Buy Resinol Ointment and Soap in any drug store. For free sample, write to Resinol, Dept. 4, Baltimore, Md.

Third Furore in Year Rages Over Details of Memorials for Heroes In Texas History; Houston Upset

Houston, April 7. (AP)—Texans take their memorials to heroes of the State's turbulent past very seriously.

Last Summer during the Texas Centennial Exposition a storm of contention arose over placing an equestrian statue of "Buffalo Bill" Cody on the grounds of the main exposition in Dallas. Patriotic societies vehemently protested Cody's flamboyant career included a bit of spying for the Union cause in the war between the States and thus he was bereft of all right to a place of honor in a State which had thrown its weight with the Confederacy.

Much argument ensued, even in the courts, before bearded Buffalo Bill astride his pony was placed in stone on the Centennial grounds.

Then there was another argument of similar magnitude about a Centennial sculpture depicting a pioneer and his rugged family. Shocked Texans protested the statue was un-

representative because it was embarrassingly unclothed. The State refused to accept it and the artist is now redoing his first effort.

The latest memorial battle rages here. Patriotic societies have protested putting the names of President Roosevelt, Vice President Garner, Governor Allred and other Texas office holders on a shaft to the heroes of San Jacinto—where Texas won her independence from Mexico in 1836.

The shaft—to cost \$1,100,000 and to be the tallest in the Nation—is under construction as a Government project with the State Board of Control in charge. Daughters of the Republic of Texas and Sons of the Republic of Texas demanded of Chairman Claude D. Teer that all names of individuals be placed, if at all, inside and not outside the shaft. The patriotic groups called a mass meeting for tonight to further their fight.

PARDON BOARD VIEWS AIRED

ALLRED OUTLINES STAND
AFTER VETO OF BILL
ON NEW MEASURE

Austin, April 7. (AP)—The Legislature is at work on a second proposed enabling act for the constitutional amendment divesting the Governor at most of his pardon and parole power and placing it in a non-partisan board.

Governor Allred's initial veto of the session killed the lawmaker's first enabling act. The amendment, adopted in the November general election, was supposed to have become effective two months ago. Notwithstanding the lack of an enabling act, the Governor has taken the position he could grant pardons and furloughs on recommendation of the board.

In vetoing the first bill, Allred said the Legislature had sought to go considerably farther than the electorate in limiting the Chief Executive's pardon and parole authority.

"Nowhere in the bill," he said, "is the Governor required to approve or veto the granting of a parole by the board. Indeed, under one section the board is given absolute authority to issue paroles. It will be remembered that when the amendment was submitted to the people the argument was made in committee and on the Senate floor that the board's actions should be checked by the Governor."

"Section 19 of the bill attempts to give to a parole supervisor the power to revoke paroles. It also gives the board power to revoke paroles. The amendment adopted by the people conferred this authority upon the Governor, and clearly the Legislature cannot delegate it to the parole supervisor, the board, or any other agency."

"Another section requires the Governor to file with the Secretary of State a written statement of his reasons for granting or refusing clemency in a particular case. I can see no good reason why the Governor should not file a statement of his reasons for granting clemency; but there are occasions when it would be best for the protection of protesting members of society, or for the safety of himself or his family, when the Governor should not be required to set out his reasons for refusing clemency."

The bureau of agricultural economics estimates the 1936 cranberry crop at 530,000 barrels.

TO AID SOCIALISTS

Mexico City, April 7. (AP)—Mexico raised a lone voice last week against Europe's policy of non-intervention in Spain.

Vigorously this Government set forth its belief the Fascist-pressed Valencia regime was getting far the worst of it in application of that policy since it was thereby deprived of aid which it could "logically expect from those (nations) with which it maintains normal diplomatic relations."

Some thought they detected in the communication handed the League of Nations' Secretary General, J. A. C. Avenol, an implied rebuke to the United States for keeping hands off Spain.

In flatly rejecting, so far as she was concerned, the London non-intervention committee's proposal that American nations join in isolating the Spanish conflict, Mexico made this tart observation:

International neutrality, invoked by reason of the Spanish conflict, should be interpreted in accordance with the noble principles established by the League in its covenant, and it is proper that there should be extended to bases of military rebellion, such as that of Spain, the clear separation which exists between government victims of aggression and aggressor groups."

That was as much as to say Europe was shirking its duty in not backing the Spanish Government by selling it the arms and ammunition it needed to fight the Fascist rebels. Certainly Valencia could not complain that Mexico had been remiss in doing her duty as she saw it in that regard.

From the start Spain has been able to buy here all the arms she wanted. Last August the Magallanes crossed the Atlantic with 20,000 rifles and 20,000,000 rounds of ammunition. A smaller vessel, the Sil, followed shortly with another cargo of war supplies. Loaded the gun-walks with machine guns, rifles, cartridges, cannon, and foodstuffs was the Mar Canabrio when it left Vera Cruz, Feb. 19. But that cargo fell into rebel hands. Still another ship, the Motomar, awaited weather to sail last week with Mexican cannon guarding it against the Mar Canabrio's fate.

LABOR BILLS GET HEARING

HOUSE CONSIDERS ACTS
OUTLAWING SIT-DOWNS
IN TEXAS STRIKES

Austin, April 7. (AP)—The Legislature today faced further consideration of moves to outlaw possible sit-down strikes after the Senate had passed to the House a bill carrying heavy penalties.

A House committee set for additional hearing tonight a somewhat similar bill when representatives of the Texas Federation of Labor, making clear their organization opposed sit-down methods, asked to be heard on grounds the proposals might prohibit peaceful negotiations and picketing.

The legislative action followed Governor Allred's recent statement he would oppose sit-down methods with every means at his command.

Penalties of from 30 days in jail to five years in the penitentiary were provided in the Senate bill, the felony punishment being aimed at "agitators."

The bill, by Senator R. A. Weinert of Seguin, would prohibit two or more persons from entering or remaining on premises with the intent to force the owner, representative or manager "to do or refrain from doing any act or thing whatsoever."

ARGUMENTS SCHEDULED ON
SOCIAL SECURITY LAWS

Washington, April 7. (AP)—The Supreme Court called today for arguments on constitutionality of Federal and State social security legislation.

Up for debate at noon were two cases involving the Alabama unemployment compensation act, challenged by the Southern Coal and Coke Company and the Gulf State Paper Corporation.

Arguments will begin late tomorrow on validity of the Federal Social Security Act, contested by another Alabama concern, the Charles C. Steward Machine Company.

A final decision on both laws is expected before the Supreme Court adjourns for the summer early in June.

The Court already has upheld by a 5-4 vote a similar New York State statute.

A petition for reconsideration of the New York decision, given without a written opinion, has been pending since Dec. 14.

SPANISH ONCE GAVE NAME
"PHILIZABELIA" TO TEXAS

Austin, April 7. (AP)—Texas once was called "Philizabelia" after the Spanish sovereign Philip and Isabella.

This was found by J. V. Haggard, University of Texas translator, in an old document in the Bexar archives.

On separating a set of papers, long classified as one document, into two sections he found the commission of Don Juan De Olivan Rebolledo as Governor of the province of the New Philippines of "Philizabelia" in 1719.

The Don never fulfilled the appointment but his commission from the Spanish crown cited the boundaries of Texas for the first time—extending from the Mississippi River on the east to the Medina River on the west, the territory "to be jointly named for the Spanish sovereigns, Philip and Isabella."

RURAL SCHOOL AID FUND
STUDY SOUGHT IN BILLS

Austin, April 7. (AP)—Two investigations of the Education Department administration of rural school aid would be authorized under a bill which the Senate received today from the House.

The investigation provisions were attached as amendments to a bill appropriating \$1,080,000 to supplement funds previously allotted for rural aid during the current biennium.

One amendment would create a Senate and House committee to pass on all rural aid claims and empower that committee to make a general investigation of past rural aid expenditures. The other would appropriate \$3,000 to the State Auditor for an audit of rural aid funds.

OUTLOOK FOR WHEAT CROP IN
DONLEY COUNTY IS BRIGHT

Clarendon, April 7. (AP)—The outlook for a wheat crop in Donley County is the best in years, says County Agent Breedlove who completed a survey last week. Breedlove's check was made by interviewing wheat farmers who said there has been little loss of seeded wheat in the county. "There are approximately 12,000 acres of wheat in the county which was greatly benefitted by the recent snow and with average continued rainfall a good crop should be harvested," Breedlove says.

Farm Sign-Up Advances.
Clarendon, April 7. (AP)—Eight hundred and fifty Donley County farmers have signed work sheets for the 1937 soil conservation program, and 950 or 1,000 are expected to sign before the contract period closes. Thirty ranchers signed applications for determined grazing capacity. Inspection will be made by Joe McMurtrey, range supervisor.

Prayer Subject Announced.
"Proof of the Pudding" will be the prayer topic discussed tonight by Rev. W. L. Little in regular Wednesday evening prayer services at the First Methodist Church. The board of Christian education will meet at 7:30 o'clock, 15 minutes before the prayer service.

Democrats Win.
St. Louis, April 7. (AP)—Mayor Bernard F. Dickmann, Democrat seeking a second term, scored a crushing victory over Republican Oliver T. Remmers in the municipal election yesterday. Mayor Dickmann polled a record majority of 48,207 votes and carried the party's 14 aldermanic candidates into office with him. The vote, with only one of the city's 718 precincts incomplete was Dickmann 159,404; Remmers 111,197.

Don't belittle little things

In brewing, it's the little things that count against you—if you don't watch them. Little grains of broken barley... little metal particles... little drops or rises in temperature... little oversights on timing. Watching and guarding against a multitude of such little things 24 hours a day has produced one brew of such qualities that it has become something more than beer—a social companion.

SAFETY RULES ARE STUDIED

SUGGESTIONS HEARD ON MEANS TO PREVENT BUILDING BLASTS

Austin, April 7. (AP)—A legislative committee which has been investigating the New London school explosion in which hundreds of children lost their lives had before it today additional suggestions on how such a disaster might be prevented in the future.

Recommendations of witnesses at a hearing last night included one that a State agency be created to receive reports from all commercial handlers of gas and oil as to safety methods they utilize.

Others were that gas mains not be laid under building, that vents to the outside atmosphere be provided for all heaters, space under first floors be eliminated, steam heating plants be isolated where possible and that automatic cutoffs be installed to operate in cases of pressure fluctuations.

W. M. Welch, engineer with the State Railroad Commission, who recommended the "safety bureau," expressed opinion such an agency would result in wide diffusion of knowledge about the best protective measures and cause a decrease in accidents in connection with gas and oil operations.

Herbert Voelcker of Wichita Falls, an architect, said that if the piping had circled the building at New London instead of being under it the disaster probably never would have occurred.

J. Fred Horn of the State Department of Education suggested that all existing State safety laws be brought together and modernized.

SOVIET ARMY MAN GETS HIGH GOVERNMENT POST

Moscow, April 7. (AP)—A successor to Genrikh Yagoda as Commissar of Posts and Telegraphs was chosen Tuesday from the Red army. Simultaneously Yagoda's one-time assistant was dismissed without explanation.

Innokenty Khalevsky, an officer in the Soviet Union's army since 1928, in charge of the communications, motorization and modernization program, was named to the Commissariat.

His predecessor, Yagoda, caught in the web of the G. P. U. (secret police) he once headed, was dismissed Saturday after what a communiqué termed "disclosures of breaches in office of a criminal nature."

George Prokofiev, who was vice president of the G. P. U. then vice Commissar of Home Affairs under Yagoda, was dismissed from the office of vice Commissar of Posts and Telegraphs.

PERMIT FOR CARBON BLACK PLANT UPHOLD BY COURT

Oklahoma City, April 6. (AP)—The State Supreme Court upheld Tuesday the action of the Oklahoma Corporation Commission in issuing a permit for construction and operation of a carbon black plant near Guyton.

The decision bore out Corporation Commission findings that the use of natural gas to manufacture carbon compound used principally in rubber tire manufacture "does not constitute wasteful utilization of same."

The State House of Representatives meanwhile killed a bill by Representative Paula, Buffalo, which would prohibit the manufacture of carbon black from natural gas in Oklahoma. Petitioners for the plant claimed that the Guyton field, which extends into Kansas and Texas, was being "drained" by 140 wells in Kansas and by "many in Texas." They contended there was sufficient gas in the field to supply the proposed plant.

THIRD MAN CHARGED IN FRIONA BANK ROBBERY

Fort Worth, April 7. (AP)—Department of Justice agents have filed charges against another man in connection with the \$700 robbery of the Friona State Bank on June 29, 1936, by three men.

The man, Vivian Earl Dennis, pleaded not guilty before United States Commissioner Newman who set his bond at \$25,000.

Two others charged in the same robbery were convicted in the State court at Farwell last Fall and given life sentences in the penitentiary. They are J. C. Britton and Hub Stanley, captured in Fort Worth July 6, 1936, after a running gun battle with city police.

HOUSE DISAGREES ON GUFFEY-VINSON CHANGES

Washington, April 7. (AP)—The House disagreed Tuesday to Senate amendments to the Guffey-Vinson coal control bill and referred the measure to a joint Senate-House conference committee.

The legislation, designed to permit governmental price fixing in the soft coal industry, passed the Senate late Monday.

The contested amendments would exempt coal purchases of farm cooperatives from the price regulations and also exempt statistical employees of the National Bituminous Coal Commission from Civil Service requirements.

Real Surprise

Melbourne, April 7. (AP)—One woman motorist, it is convinced Melbourne has the most appreciative traffic officers of the world. She had just driven across an intersection when a blue-clad officer motioned her to the curb. "This is a busy intersection," he began, "and you are the only driver who has given the right signal and made the turn the correct way. I stopped you to compliment you." Then he waved her on and went back to directing traffic.

DALLAS MAYOR LEADS VOTE FOR RE-ELECTION

(By the Associated Press)
Many Texas cities had newly-elected officials today. Municipal elections throughout the State included these results:
In Dallas Mayor George Seitzman led a 44-man field into an April 20 run-off for nine City Council posts. The following will be paired against each other: George A. Sprague and J. J. Collier; J. Willis Gunn and W. K. Barton; Emil Copenhoe and Charles A. Levi; John Callom and D. R. Graham; Starr Armstrong and James Reach; Hughes Knight and Cleve F. Cochran; P. F. Brinker and L. M. Rice; Max Hahn and Charles A. Moore; George Seitzman and George Ripley. Seitzman polled 6,352 votes.

In Fort Worth Councilmen elected were J. P. Elder, W. J. Hammond, Herbert L. Ull, E. S. Hooper, T. J. Harrell (unopposed), Jerome C. Marton, Dr. D. M. Rumph, George A. Seaman, George B. Eagle. Councilmen who lost out were Dr. W. R. Thompson, Roy C. Murphy, W. T. Ladd and Arthur Brown. More than 12,000 ballots will be given out.

In Austin Mayor Tom Miller and Councilmen C. M. Bartholomew, Simon Gillis, Charles F. Alford and Oswald Wolf were unopposed in a light election drawing 1,064 votes.

DEVELOPMENT OF GRAIN CROPS ON COAST URGED

Beaumont, April 7. (AP)—Dr. P. C. Menglerdorf of the division of agronomy of Texas A. & M. College said here recently that wheat, oats, and flax are among the crops listed for future growth in the Gulf Coast region. Experiments in breeding of small grains that should thrive under conditions found here are being carried on in various sections of the coastal region and at the college, he said.

Rust, he said, is virtually the only drawback to wheat growing in this area, but this is being overcome by breeding resistant varieties. He forecast that oats will be grown extensively in parts of this territory and flax, not produced in quantity in the South, is adaptable to growth on the Gulf Coast.

ONION CROP MOVES FROM SOUTH TEXAS FIELDS

Raymondville, April 7. (AP)—The first shipment of Wilbarger County's Spring onion crop was made recently, and whites sold as high as \$3 for 30-pound bags, Yellows brought \$1.60 to \$2 a bag.

Growers say, however, that unless the cloudy and damp weather ends bright, already appearing, may result in extensive damage.

The onion crop is Wilbarger County's big Spring production that in some years grossed \$1,000,000. About 15,000 acres was planted, but the United States Department of Agriculture estimates list the county with 5,000 acres. Onions here are planted in 34-inch rows which the Department reduced to the equivalent of 12-inch rows in the estimate to conform to other onion-growing areas of the State.

WHAT CONGRESS IS DOING

(By the Associated Press)
Wednesday.

Randall Pioneer Dies

Canyon, April 7. (AP)—John W. Turner, who died here last week, was a member of the original T. Anchor outfit and a resident of Randall County since 1888. Born at Muscatine, Iowa, he went to Kansas when a boy, thence to Indian Territory and finally to Northwest Texas where he became one of its colorful pioneers. Turner assisted in organizing Randall County in 1889, and was a Justice of the Peace more than 45 years.

Mausoleum Pushed

Beaumont, April 7. (AP)—Officials of the Young estate announced that the \$100,000 mausoleum in Magnolia Cemetery, a memorial to the late Miles Frank Young, oil millionaire, will be completed within 60 days. The structure is of stone taken from the Young quarry at Manitou, Colo., and will contain a crypt for six bodies and a flower room. Young's body has rested in Magnolia Cemetery since his death several years ago.

Fatigue

Cincinnati, April 7. (AP)—John Douglas, Negro, was "jes" tired, so he lay down, his head and feet across the railroad tracks high on a trestle. Engineers of trains bearing down on him on double tracks brought their mounts to a stop, screaming. Douglas snored on. He hardly opened his eyes as police led him away.

Step-Child

Mattoon, Ill., April 7. (AP)—"Poodle," an 11-year-old female dog, has adopted a baby chick. Poodle growls at outsiders who approach her step-child. The chick cheeps frantically every time the dog leaves.

Singing For The Bath

Moscow, Idaho, April 7. (AP)—Dr. J. C. Eldridge, Idaho University faculty dean, will spend the \$50 he recently received in a nation-wide hymn writing contest to tile his bathroom floor, he told friends.

Maxim

Rockport, Ind., April 7. (AP)—In 1789 Benjamin Franklin wrote "In this world nothing is certain but death and taxes." Isaac Goodman came to the court house here to pay his taxes. He fell dead, a victim of heart disease.

COLLEGE BAND OFFERS STYLE

TEXAS TECH MUSICIANS TO APPEAR IN NEW UNIFORMS HERE

What the well-dressed college band is wearing will be demonstrated by the Texas Tech band when it plays a concert in the Junior High School auditorium in Vernon, April 16. The band members made their first appearance in the new scarlet-and-black military style uniforms in Lubbock, March 10, when they played a concert to pay for the suits. Since then they have earned the title, "Best Dressed College Band in West Texas."

Students of the college sold tickets to the Lubbock concert, raising funds to purchase 70 new windpipe uniforms. Red coats trimmed in gold braid and scarlet-striped black slacks offer a vivid contrast to the corduroy uniforms the musicians had been wearing. Gold shoulder braids, white Sam Browne belts, and scarlet-and-black military caps add other dashes of color to the new outfits.

Sixty members of the band play in the concert here. Marches, novelties, concert numbers, and even swing tunes will make up the program, said D. O. Wiley, director, on a recent visit here. The concerts will be presented at 2:45 and 8:15 o'clock in the afternoon and evening.

HIGHWAY SAFETY MEASURE PASSES OKLAHOMA SENATE

Oklahoma City, April 7. (AP)—The Oklahoma Senate remodeled Tuesday a House-approved motor patrol bill, passed it as a state police and highway safety act.

The bill will be thrown into conference, for Senate leaders admitted the House never would concur in Senate amendments, which included confirmation by the Senate of the appointment of a commissioner of public safety empowered to direct the patrol.

The House killed a bill appropriating \$750,000 to be distributed this year to weak schools for nine-month terms.

ADRIENNE AMES IS GIVEN SECOND DIVORCE FROM CABOT

Los Angeles, April 7. (AP)—The story of Adrienne Ames, screen actress, that her actor-husband, Bruce Cabot, drank to excess, threatened her, swore at her and broke furniture won her a divorce Tuesday. It was the second divorce decree she obtained from Cabot in the last year.

She was given an interlocutory decree last July, but Cabot flew to her in New York and there was a reconciliation. Everything went well until last January when they separated again.

DEFINITE CLUES REPORTED IN KIDNAPING OF BOY

Huntsville, April 7. (AP)—Sheriff Carl Bush of Trinity County said he had definite clues in the reported kidnaping of 11-year-old Leon Wright near Groveton last Thursday. Bush said he was awaiting developments before making arrests.

The lad, gagged and blindfolded, was taken for a two-hour ride and then shoved from the slowly moving car.

ELECTRA VOTERS SELECT TWO NEW COMMISSIONERS

Electra, April 7. (AP)—Electra picked itself two new City Commissioners Tuesday, in places 1 and 2. Leo Moore won in the first district and Jim R. Stipe in place 2. A total of 598 votes, surprisingly large, was cast.

Moore got 328 votes to 329 for W. B. Williams. Jim R. Stipe got 340 votes, J. H. Harris 230 in the second district.

Trial Delayed

Coleman, April 7. (AP)—Efforts to bring to trial immediately George Dewey Shipley, bank-robbery suspect, have proved futile. Shipley, under an indictment charging him with the robbery of a bank here more than three years ago, is not expected to go to trial until One Hundred Nineteenth District Court convenes in June. The indictment was returned in that court.

Death Trial Opens

Dallas, April 7. (AP)—James Ernest Clark, 38, went to trial here Tuesday on an indictment charging him with the "stomping" slaying of his sweetheart, Miss Pauline Smith, 34, Feb. 13. A jury was being selected. Testimony was expected to open Wednesday afternoon. The victim, a waitress, died two days after she was knocked down and beaten in a beer tavern.

Just Waiting

La Crosse, Wis., April 7. (AP)—You have probably met the determined lady in the theater who saves the seat next to her for a friend. The old practice was given a new wrinkle recently when a motorist, driving his car into a parking lot, was kept out of a stall by a woman with outstretched arms. "I'm saving this space," she shouted.

Texas Gets Grant

Washington, April 6. (AP)—The Social Security Board has announced a grant to Texas for old age assistance for April amounting to \$846,602.55.

TRAILER ADVENTURE

by Nard Jones
© 1937, NEA Service, Inc.

BEGIN HERE TODAY

MARTHA BRITTAIN AND BETTY HAYNES begin a trip up the west coast to demonstrate the new Airspeed trailer. They pick up GERRY NEAL, handsome young hitch-hiker. Neal tells them he is to meet a friend, JACK SPEDDON, at the Long Beach auto comp. But at Long Beach, Neal disappears from the trailer and Speddon drives away with Betty, falling to return.

Frankie, Martha calls police. Then she gets a wire, supposedly from Betty, advising Betty will meet her at a San Francisco hotel. Next, Neal turns up again and tells Martha "this thing may be bigger" than she imagines.

Martha agrees to accompany Neal to San Francisco to find Betty. She finds herself growing more and more interested in Neal. But, arriving in "Frisco, Martha finds that neither Speddon nor Betty are registered at the designated hotel. Instead, Martha gets another letter, also presumably from Betty, advising everything is all right. Disturbed, Martha wants to call police but Neal protests that such a move might cause Betty's death! And that night Neal tells Martha he loves her.

NOW GO ON WITH THE STORY

CHAPTER XIII
The manager of the Bridge Auto Park grunted and turned over on his bed. But again there came that insistent knock at the door of his cot—a knock which he had hoped might be part of a dream. Grumbling audibly, he climbed from his sheets, pulled on an ancient but serviceable bath robe, and shuffled to the door.

He was startled to see a rather breathless and very attractive young woman standing there. And he was more amazed yet when he recognized her as the young woman who had called earlier in the day. The young woman for whom he'd been holding that airmail letter from San Diego.

"I'm sorry to bother you at this time of night," Martha said. "But I want space for my coupe and trailer."

The man yawned. "There's a lot of it out there, lady. Just park anywhere, and I'll talk to you in the morning."

"You see, I'm with the Airspeed Trailer Company. I'll be here two or three days—"

"Showing on the trailer? That's okay, so long as you pay the regular rent. One fellow a while back figured his trailer ought to draw customers and he should get in here rent free."

"I intend to pay," Martha said. She reached into her bag.

"Never mind now, I don't like to lose sleep. See you in the morning." The door slammed decisively, and Martha returned to the trailer. There were other cars and trailers in the camp, but she seemed to be the only tenant awake at this hour of the night.

Perhaps, Martha told herself, she had been foolish to run away from the hotel and not wait until morning to come to the Bridge Auto Park. But when she had disengaged herself from Gerry Neal's arms and escaped into the solitude of her room she knew that she mustn't see him again. He would be telephoning in the morning, perhaps even that night—and she had to get away to think.

Since they had reached San Francisco the quick turn of events had anaesthetized her own feeling for Gerry Neal. But his swift, uncontrolled confession there in the hotel hallway had precipitated a condition which Martha did not yet want to face. Hurriedly she checked out of the hotel, fearing every moment that Neal would try to stop her. Within 15 minutes she was speeding in the little coupe to reclaim the trailer where Neal had left it earlier in the day.

The Bridge Auto Park proved to be an excellent location for displaying the merits of the Airspeed. On one of the main arterials for both north and southbound traffic, it drew many a curious motorist attracted by the streamlined trailer. With these, as well as with the occupants of the auto park itself, Martha was kept busy. At the end of the day she had pointed out the merits of the trailer to scores of prospects, handed out as many advertising leaflets. And that night she made her report to Arnold Sloss, grateful for a task to keep her mind occupied.

That day and the next she stayed

on at the Bridge Auto Park. Then, following Carrington's itinerary, she crossed the great bridge into Oakland and spent the day there.

The three days proved a tiresome grind, and at the close of the last Martha tumbled onto the made-up berth and dropped off to sleep almost instantly. When she opened her eyes the sun was streaming into the trailer. But it was not the sunshine which had awakened her. There had been a distant tapping at the rear window. Looking up she saw the smiling face of Gerry Neal.

"Breakfast ready?"

At the sound of his voice Martha's heart rose in her throat and whirled there like a frightened quail. She knew all along she had wanted him to follow her—and been afraid he might. She knew that despite all her anger and all her suspicions, she had wanted to see him again.

Hurriedly she drew on her dressing gown, and went to the window. "I'll wait 10 minutes," Gerry told her. "Just one cigaret."

"How did you know where to find me?"

Neal grinned. "You showed me your itinerary. And I've known where you were. When I found you'd left the hotel I telephoned the Bridge Auto Park. I was mighty relieved when they said you were there. I was afraid perhaps you'd started north against my advice. You leave this morning, don't you?"

"I should have left an hour ago," "You mean we should," Neal smiled. "Better start the coffee."

Without answering, Martha turned from the window. It was nearer 20 minutes than when she had dressed and made toast and coffee. But near the opened trailer door Neal was still waiting patiently.

"All set?"
"You're invited to breakfast," Martha said. "But not to go with me. And I'll have to hurry."
Neal entered the trailer and sat down before the table, watching her pour the coffee. "You don't mean that."

"I do, though. I've a job to do. You've said that the best thing for me is to keep on for the Airspeed Trailer Company. I can do that by myself. And you're not helping me to find Betty."

He was silent a moment, still watching her deft hands. "Your next stop is at Eureka, isn't it?"

"Yes."
"There's some lonely stretches on those northern California roads. You'd better let me come along."

Martha sat down, pushed the lever on the automatic toaster. "San Francisco seems really booming. Why don't you try to find a job and settle down?"

"My job is to see you out of this." He reached across the table, took her hand, holding it tightly. "Look here, Martha—that night at the hotel I stopped pretending. Why don't you stop it, too?"

"I—I don't know what you mean."
"Yes, you do, Martha. You haven't the slightest reason to believe in me, but you have believed in me. I've been evasive and secretive, but you've trusted me. Why? Why have you done that?"

"Because I want to find Betty," Martha said.

Neal shook his head. "No, Martha. Your judgment tells you that you should report me to the police, ask them to investigate Betty's disappearance and broadcast a description of Speddon and his car. Isn't that true?"

"Yes... It's true," Martha sprang upward from the table. "It's true—and that's what I'm going to do!"

WORK ORDER FOR NEW
MINERAL SURVEY

San Antonio, April 7.—Recent allocation of \$193,344 for the prosecution of 18 new Works Progress Administration projects in Texas will make possible the employment of 1,788 persons, it was announced today by Robert J. Smith, deputy state administrator. Local agencies sponsoring the projects will expend \$127,536, Smith stated.

All-weather topping for 27 miles of farm-to-market roads will be realized with the completion of six of the newly-approved projects. These and three other road improvement projects are financed through WPA allocations of \$85,288 and \$17,801 in sponsors' funds.

Projects approved, with WPA grants, sponsors' funds, and number of persons to be employed, included: Baylor County: Natural mineral resources survey; Federal funds, \$994; workers, 13.

Social Security Act Is Now Aiding
956,000 Texans as Eight Programs
Under Federal Law in Operation

San Antonio, April 7.—More than 956,000 people in Texas are benefiting directly under the Social Security Act, with eight of the act's ten provisions now in operation in this State, according to a statement issued today by Oscar M. Powell, regional director of the Social Security Board.

Among these beneficiaries are approximately 670,000 who are estimated to be employed in jobs covered by the State unemployment compensation law and 120,000 who are being aided under an approved old-age assistance plan. Records show that \$36,566 wage earners have applied for accounts under the old-age benefits program. Practically all these are also covered under the State's unemployment compensation law.

Powell explained that only one part of the act—the old-age benefits program which went into operation Jan. 1—could become effective without State action. In the other nine programs the States must take the initiative. Texas, it was pointed out, has set up approved plans for seven of these services, covering: unemployment compensation; aid to the needy aged; maternal and child health services; services for crippled children; child-welfare services; vocational rehabilitation; and public health services. The programs in which it is not yet participating are: aid to the needy blind, and aid to dependent children in their own homes.

Through the old-age benefits program workers in commerce and industry are now beginning to build up credits toward regular monthly incomes which will give them something on which to live after they retire.

Under the State unemployment compensation law, enacted on Oct. 27, 1936, eligible workers who become involuntarily unemployed will be entitled to regular payments of 50 per cent of their full-time weekly wages, with a maximum of \$15 per week and a minimum of \$5 or three-fourths of weekly wages, whichever is less. Ordinarily, benefits may last as long as 15 weeks during a year, depending upon the worker's past employment. The State is already collecting funds under this law, which stipulates that unemployment compensation payments will begin in January, 1938.

Powell stated that under the State Federal old-age assistance program approximately 120,000 of the State's needy aged during March received cash allowances from funds provided in part by Texas, and in part by the Federal Government. It is estimated that in March it paid out from combined Federal and State funds a total of \$1,800,000 for old-age assistance. In January, the average individual payment to the aged was \$14.98. These estimates are based on reports to the Social Security Board since this plan went into operation.

Old Age Aid Reviewed. The Texas old-age assistance plan under the act became effective in July, 1936. It was stated. All told, it has received Federal grants of \$7,180,950 for old-age assistance.

Texas passed a State law for old-age assistance in 1935, but this did not become effective until the present plan went into operation. It has had a State law for aid to dependent children (mothers' aid) since 1917 but had not made any specific provision for aid to the blind.

In addition to participating in these programs for which the Social Security Board is the Federal administrative agency, Texas is also cooperating in social security programs directed by other Federal agencies. —MORE MORE MORE MORE—

The three maternal and child-welfare programs, administered by the Children's Bureau of the United States Department of Labor, provide for the extension of such services, particularly in rural areas. Texas had an approved plan for maternal and child-welfare services for 1936, and Federal payments totaling \$42,601.66 had been made to the State by June 30. The plan approved for the fiscal year ending June 30, 1937, provides for a Federal grant of \$100,530.

Under the 1936 approved plan for services for crippled children, \$10,999.92 had been paid to Texas by June 30, 1936. The 1937 plan, as approved, includes a Federal grant of \$152,730.42. A Federal grant of \$27,549.74 was paid to Texas for child-welfare services under the 1936 plan. For the fiscal year ending June 30, 1937, a Federal grant of \$90,758.43 was provided in the Texas plan approved.

To Aid Injured. The purpose of vocational rehabilitation is to provide re-education for workers crippled in industry. At the end of the last fiscal year 2,009 such persons were receiving training under the Texas program, for which the State has received Federal grants of \$90,054. The Federal administrative agency for this part of the act is the Office of Education of the Department of the Interior.

Under the public-health provisions of the act, which are administered by the United States Public Health Service, Texas has received Federal grants for the purpose of expanding and strengthening its State and local public-health services. Up to January 31, 1937, these grants totaled \$317,812.45.

FARM RESALE PLAN AGAIN REJECTED BY HOUSE BODY

Washington, April 7. (AP)—The House agriculture committee refused Tuesday to authorize the Secretary of Agriculture to spend \$50,000,000 annually to buy farms for resale to tenants and sharecroppers.

A motion to reconsider the proposal which the committee disapproved by a 13 to 11 vote last Wednesday lost on a 12 to 12 tie vote Tuesday.

"ROAD OF GOLD" THEME
OF CARVETH WELLS' TALK

Talk about gold-studded stuff, Colorado has a 40-mile highway that's actually peppered with the precious yellow metal—\$12,000 worth per mile! Carveth Wells will tell all about this "road of gold" in the Continental Oil Company broadcast, "Exploring America with Conoco and Carveth Wells," which may be heard at 6:30 p. m. Saturday over radio station WFAA, Dallas. The travel program will be devoted to the Pike's Peak region of Colorado.

Going back to the days of '59 when thousands of people from all sections of the country set out for Colorado in their Pike's Peak-or-bust covered wagons, the popular explorer-reporter will show how the finding of gold led to the discovery of much greater wealth—colorful scenery and a health-giving climate. "The Pike's Peak region is like an enormous scenic exposition," he says, "and an excellent system of scenic highways has been constructed solely for the purpose of enabling motorists to enjoy it."

Featured on the program will be Wells' picturesque description of America's most famous mountain. "No matter how you reach the top of Pike's Peak, get there somehow," he advises, "for the experience of being 14,119 feet above the sea is something you'll never forget."

NEGRO WITNESSES SUPPORT
CLAIM TO BARNETT ESTATE

Oklmulgee, Okla., April 7. (AP)—The claim of Mrs. Bertha Barnett, Negro housemaid, that the late Jackson Barnett, "world's richest Indian," married her 45 years ago and that they had two children was supported here by two Negro witnesses.

Their testimony came in the second day of a hearing on disposition of the Barnett estate, estimated at two to three million dollars. More than 700 litigants have appeared in the case.

Josephine Perryman, Negro woman who testified last week at a similar hearing in Muskogee, said she knew Barnett when he worked on an Arkansas River ferry near Muskogee and that he and Bertha had two children.

Louise Hawkins, 67, Okmulgee Negro woman, who claimed to be a first cousin of Barnett, gave similar testimony.

RITES ARRANGED THURSDAY
FOR "LITTLE EGYPT" OF '90'S

Chicago, April 7. (AP)—Funeral services for Mrs. Andrew Spyropoulos, 65, the famed "Little Egypt" of the 1893 World Fair, who died suddenly Monday, will be held Thursday afternoon in an undertaking establishment near her husband's restaurant on South Halsted Street.

The Syrian dancer, who shocked the gay nineties with her body gyrations just as Sally Rand perturbed a modern generation with her fan dance, had been in retirement for many years except for a brief appearance at the 1933 Century of Progress Exposition.

PURSANG

Overwork, illness, wrong food, lack of exercise—all collect their toll. Now's the time to get back to normal. Are you feeling discouraged and "run down" these days? It may be because indoor living, worry and overwork have conspired to wear down your resistance—and reduce the iron content of your blood. An iron deficiency can weaken energy and make a man or woman imagine almost everything is wrong when really the condition is not serious. If you are "below par" just start taking Pursang. See how much better you feel in two or three days. Pursang contains iron and copper compounds—effective in increasing hemoglobin, the substance that makes red blood red.
